

By Roll Call Vote of The United States of America in Assembly

It is hereby declared and recorded as Public Law of The United States of America that no person or Person or PERSON of any kind shall in any respect claim to have any commercial or trade ownership interest in a living man or woman, baby, boy, or girl, by any means at all.

Re-labeling living men or women by the use of other descriptions such as “male” and “female”, or via their acceptance of professional or other titles, or via their enrollment in offices of citizenry or personhood, shall not be used to confer undisclosed obligations upon them, nor shall any such means be used to convert the nature of living people, so as to excuse their abuse as animals or inanimate things.

This prohibition established as Public Law restricts the use of copyrights, trademarks, and patents to establish ownership interests in living things, and in particular forbids the use of patents to create or enforce any commercial or trade ownership interest in living men and women as Genetically Modified Organisms.

The injection or other introduction of patented genetic products or other kinds of engineered products into living people or into their genome, whether this is done voluntarily or under force, shall carry no implications of any ownership interest in the recipient by the patent holder(s) and shall have no commercial value or trade value or use beyond the price of the product or procedure itself, and shall not affect the standing of the recipients as free and independent living men and women owed all natural and unalienable rights.

The interest that each unique man or woman holds in their own gifts and their own biological, intellectual, spiritual, and material assets is unlimited and cannot be abridged, bought, sold, traded, waived, or bartered.

Any corporation(s) or individual franchises(s) promoting any plan to convert living men and women into Genetically Modified Organisms or advancing ownership claims based on the receipt of patented genetic products or seeking to use living people and their assets as collateral based on such claims, shall be subject to immediate and permanent liquidation, stripping of the corporate veil, and prosecution of their officers for crimes against humanity.

This Public Law of The United States of America shall be effective immediately as of the first day of January in the year of 2021 upon final enrollment of concurring votes from the State Assemblies and shall continue in force and be placed upon our Federal Record as Public Law A1010121.
