CASE NARRATIVE

Complainant stated on January 4, 2021 she wrote a check to a woman named Sherrel Courvelle in the amount of \$8,000.00 as a down payment to purchase her mobile home located at 249 Nathan Terrace. Complainant stated Courvelle wanted \$16,000.00 total for the mobile home and the remaining \$8,000.00 was deposited into Courvelle's account in February 2021. Complainant stated after this, Courvelle stopped returning messages and on May 4, 2021 she drove to 249 Nathan Terrace and noticed the residence did not appear to be ready for moving. Complainant stated she later discovered that Courvelle was due in court soon over a property issue. Complainant met with Sheriff's Office Investigators on May 18, 2021 and was advised that Courvelle did not own the property at 249 Nathan Terrace and that Courvelle had recently been arrested on charges similar to her incident.

I am writing you to educate and inform you of information that you may not be aware of: This is a matter of urgent importance. It concerns either mistaken identity or identity theft, depending upon each man's estimate of the situation.

Very briefly: at the end of the American Revolutionary War two distinct groups of people lived in the former Colonies as memorialized in the Treaty of Paris 1783, Article III: the "free sovereign and independent people of the United States" and the "inhabitants". The "inhabitants" were and are --from

the perspective of the “free sovereign and independent people”—British Loyalists and subjects of the Crown permitted to co-habit our land via Treaty of Peace.

At the end of the American Civil War, President Andrew Johnson declared peace on the land via three separate proclamations establishing an undisputed Treaty of Peace and commercial contract obligation honoring the fact that the “free sovereign and independent people of the United States” were at peace and we have remained so ever since. No such peace was ever declared for the “inhabitants” and no Peace Treaty in their behalf was ever signed, with the result that they have been at constant war since 1860.

Ever since that time the “free sovereign and independent people of the United States” have been non-combatants and Protected Persons recognized and honored as such successively by the Lieber Code and most recently by the Geneva Convention Protocols of 1949.

In 1868, the United States Congress operating as the government of the District of Columbia established its own constitution as an incorporated municipal government and established a new municipal citizenship for the subjects of the British Crown called “United States citizenship”. For its own purposes and its own administration only, the words “state” “State” and “United States” were formally redefined to mean “District of Columbia Municipal Corporation” and the word “person” was redefined to mean “corporation”.

None of this had anything to do with the “free sovereign and independent people of the United States”, but in order to keep it straight, people informally described the inhabitants subject to the British Crown as citizens of the Federal United States, as opposed to the Continental United States.

This in turn gave rise to a fundamental confusion. If you claimed to be a citizen of the United States, which United States were you talking about? Were you an inhabitant of the Federal United States? Or one of the free sovereign and independent people living on the land of the Continental United States? In order to make sure that people were not deprived of their correct political status the Congress passed the Expatriation Act of July 1868 which guarantees the right of the living people to determine their political status and which also underscores the government’s lack of authority to determine this choice for us.

By 1933 the federal governmental services corporation providing nineteen “essential governmental services” to the American states was bankrupted by foreign creditors. Franklin Delano Roosevelt and the then- “Governors” operating federal “State of State” franchises of this municipal corporation acted without delegated authority to create millions of foreign situs trusts named after all living Americans--- both the British Subjects and the free sovereign and independent people of the United States-- and via false claims that they “represented” us in this matter, changed the political status of the free sovereign and independent people of the United States to that of “inhabitants” so as to expedite commercial claims against their labor and property assets benefiting the privately owned and operated bankrupt governmental services corporations.

The people were never informed. No disclosure was made. It was all “presumed” upon us by politicians acting without delegated authority.

The free sovereign and independent people of the United States were not even afforded the opportunity to exercise the protections of the Expatriation Act because they were not informed of Roosevelt’s action to arbitrarily change their political status to that of “inhabitants” and were equally not informed of the federal corporation’s claim that they were “voluntarily” standing as sureties for its debts.

Everyone on Earth will agree that it is impossible to object to a contract if you don’t know the contract

exists, and that is essentially the position that the “free sovereign and independent people of the United States” have been in as a result of criminal conspiracy on the part of our employees.

As of 1998, we, The American States Assembly, objected to these processes and claims – including any claim altering our birthright political status. The Internal Revenue Service and many other agencies were given Notice at this time and in years thereafter.

As of 2011, the UNITED STATES, INC. and its STATE OF STATE franchises were shown to be in administrative and commercial default.

As of 2015, the free sovereign and independent people of the United States have been forced to issue a new Declaration of Joint Sovereignty and new Sovereign Letters Patent in behalf of the “free sovereign and independent people of the United States”, their states defined by geographic boundaries, their living citizens, and their assets and have joined with the Native American nations to assert their claim to the land jurisdiction of the United States owed to us free and clear. The Arkansas State Assembly was reconstructed in Arkansas in 2018. Letters have been sent out to State of State Officials Noticing them of the Arkansas State Assemblies presence being in operation.

As of 2021 the states have been working to reconstruct our American Common Law Courts that were never reconstructed after the Civil War. The Arkansas Jural Assembly is in Session and our Arkansas Common Law courts will be open In Session and established on August 27, 2023.

Any presumption that the United States and its people just “disappeared” because of criminal legal chicanery practiced against us by identity thieves and credit card snatchers wearing nice suits would be an inexcusable Breach of Trust and act of gross criminal malfeasance.

Which brings us to the other issues:

Absent performance of the duty required by United States 2 Statute-at-Large 153 there can be no actual change of one of the people’s birthright status by any private contract or commercial obligation.

By Maxim of Law, the creation of “corporate personas” via the abuse of purloined copyrights of our given names is entirely the responsibility of those who created and named foreign situs trusts and constructive ESTATE trusts and now public transmitting utilities after us without our knowledge.

The free sovereign and independent people of the United States are in fact the Priority Creditors of the so-called National Debt and the employers and benefactors of those who have promulgated this criminal abuse of our trust.

Our States of America are now and have always been separate from and foreign with respect to the Federal United States, such that this becomes a matter of international law, diplomacy, and treaty.

As the heirs of the American Republic, we are owed The Constitution for the united States of America and all due respect as living people, all interest as Priority Creditors of the various banks and governmental services corporations, and the return of our property assets and material interests free and clear from titles and liens held under color of law by merely presumed secondary beneficiaries.

We are also entitled to be set free from any and all presumptions of obligation for the debts of the Federal United States, any obligation of federal US citizenship, and any duty to perform under private statutory law. We are owed our American Common Law Courts We are owed the return of the copyright to our given names and all assets that are naturally ours.

As a result of the criminal fraud, breach of trust, malfeasance, and personage practiced against us by your predecessors in office, we have been press-ganged into the international jurisdiction of the sea, suffered inland piracy, unlawful conversion, identity theft, copyright infringement, and credit fraud.

Many Americans have suffered false arrest, armed extortion, racketeering, and eviction under the false presumptions and mischaracterizations created by this systemic fraud.

It is past time for these outrages to end.

The US Secretary of State, John Kerry was Noticed in 2015 that he is responsible for the affairs of State for the organization(s) he represents. Our nation is foreign with respect to the Federal United States. This is therefore a matter of international diplomacy and failure to recognize international obligations of long-standing.

It is the US Secretary of State's responsibility to create and define the administrative protocol, forms, and instructions that will allow all federal employees and agencies to differentiate between "inhabitants" and the free sovereign and independent people of the United States. There should be no doubt in your mind nor in theirs what it means when we draw the line and identify ourselves as one of the free sovereign and independent people of the United States.

There must be a straightforward and official means to explicitly declare our political status and to correct the civil records maintained by the probate courts and there must be an end to all false presumptions and hostilities being offered against us by federal employees, agents, subcontractors, and secondary creditors---including their bill collectors, the American Bar Association and the Internal Revenue Service. We are your Priority Creditors, not the banks which are using the various governmental services corporations as fronts to veil their self-interest in these matters.

In this packet I, Sherrel Jean Courvelle©, the living woman, standing on the land and soil jurisdiction as a free sovereign and independent woman making my political status crystal clear to these courts.

GARLAND COUNTY DISTRICT COURT and GARLAND COUNTY CIRCUIT COURT has no right to question my choice: the courts indeed owe me a "discriminating

inquiry" into my political status per Baker v. Carr 369 U.S. 186 (1962) once the question of political status has been raised—which it is being raised repeatedly in this and every other case wherein statutory law has been misapplied and jurisdiction has been falsely assumed.

I, Sherrel Jean Courvelle©, like millions of others are civilian non-combatants and protected persons who have been arbitrarily and self-interestedly "presumed upon" by members of the American Bar Association who are operating private, foreign, corporate administrative tribunals under false pretenses and routinely ignoring the political status of the people they are addressing, the jurisdictional barriers they are violating, and the criminal and repugnant claims they are making upon their Priority Creditors and benefactors.

The American Bar Association and the internal Revenue Service are both owned and operated by Northern Trust, Inc. as private, for-profit, foreign debt collection agencies. They are not units of government, not professional associations, not even non-profit organizations. They are criminal syndicates operating under color of law and semantic deceit in violation of their corporate charters and the Bar Association Treaty allowing them to be here; whereupon we have established a formal commercial obligation lien against the American Bar Association and the International Bar Association and the Department of Justice, which again, as it turns out, is nothing but a private corporation and subcontractor having no public function or office or delegated authority whatsoever.

These are the facts, and we are the people---- the free sovereign and independent people of the United States who severed all obligations to the British Crown more than two centuries ago, who are the Priority Creditors of these criminals, who are the lawful entitlement holders of all actual property in the Continental United States, who are the beneficiaries of the national trust--- not the beneficiaries of the "public charitable trust".

I am also demanding the release of Sherrel Jean Courvelle©, from the custody of the "GARLAND COUNTY DISTRICT COURT AND GARLAND COUNTY CIRCUIT COURT" and the correction and censure of

the "US District Court" which has failed to properly operate and instruct its corporate franchise doing business as the "Garland County District Court and Garland County Circuit Court" --- a failure that has resulted in assault, trespass, duress, false arrest, endangerment and harm to the free sovereign and independent people of the United States who are uniformly owed due diligence and performance of "essential governmental duties" including protection against international crime: false claims made by undeclared foreign agents, misrepresentation, unlawful conversion, personage, barratry, constructive fraud, false presumption of political status, falsification of public records, false arrest by foreign commercial mercenaries, trespass upon private property by same undeclared foreign commercial mercenaries, assault against peaceful non-combatants who are protected persons under international law, infringement of copyrighted names, false claims of indebtedness and status as sureties for commercial debts, imposition of bogus maritime salvage liens, and occupation of vacant public offices by private commercial interests acting without delegated authority or jurisdiction while seeking to gain private advantage from public resources.

All Federal United States personnel and agencies must be similarly informed and instructed to prevent their misdirection and the misadministration of their duties.

Specifically, all Federal United States personnel and agencies under contract and owing the "free sovereign and independent people of the United States" protection in all international jurisdictions and also full faith and credit as their priority creditors, are required to immediately cease and desist all those repugnant and criminal presumptions resulting from FDR's fraud as fully described in The American State Assembly's published affidavit, "You Know Something Is Wrong When...An American Affidavit of Probable Cause".

The United Nations Secretary General is responsible for the enforcement of the pledge of the Federal United States to uphold the principles of international law and the published agreements and guarantees represented by the Universal Declaration of Human Rights and specifically, the Right of Self-Declaration of political status.

The (Federal) United States Secretary of State, Antony Blinken, has been Noticed repeatedly that he is responsible for recognizing and honoring the free sovereign and independent people of the (Continental) United States and for the proper functioning of all "inhabitants" and agencies under contract to serve them. He is also responsible for the enforcement of the Bar Association Treaty and the lawful functioning of all foreign agents inhabiting the land jurisdiction of the United States.

These corporations --- Northern Trust, Internal Revenue Service, American Bar Association, DEPARTMENT OF JUSTICE, District of Columbia Municipal Corporation, United States Corporations Company, Fidelity Investments, District of Columbia Municipal Corporation dba "US DISTRICT COURT" and its franchises doing business as "STATE OF...." COURTS and "COUNTY COURTS" -- among other legal fiction entities operating in the international jurisdiction of the sea have been allowed to trespass upon the land jurisdiction owed to the free sovereign and independent people of the United States and to engage in predatory activities against these innocent non-combatants including press-ganging, inland piracy, securities fraud, copyright infringement and kidnapping. You have now been fully informed and enjoined from making any other presumptions of fact related to us or any other of the "free sovereign and independent people of the United States". You have also been given Notice of serious violations of commercial contract and treaty and also international violations of human rights being practiced against Americans by foreign corporations which are violating their corporate charters and the Treaties allowing their presence on our land.

We are calling for the immediate liquidation of all Federal corporations found to be operating as

criminal syndicates, the arrest of all Federal officials who fail to honor their obligations to the States of America and people living within their boundaries, and the immediate correction of political status owed to all Americans including I, Sherrel Jean Courville©, who is being held under false arrest and false presumptions of foreign political status.

The office of "United States Secretary of State" Antony Blinken has taken on the duties of that office and is obligated to perform according to treaty and commercial contract owed to the free sovereign and independent people of the United States and their geographically defined states and their States of America organized as unincorporated trading companies. Failure to do so and to provide remedy for these current outrages will be proof of purposeful criminality, malfeasance, and criminal intent on the part of Mr. Blinken and the Federal United States whether by act or omission.

Similarly, the Federal United States has signed the Universal Declaration of Human Rights and the Right of Self-Declaration and has no basis for objecting to the similar Natural and Unalienable Rights of their Creditors who object to fraudulent misrepresentation and wish to obtain correction of a merely presumed political status that is being foisted off on them against their stated and long-established Will. American state citizens must be recognized and accorded their political status, set free, released free and clear of any presumption of unnatural or adopted political status not in compliance with the Public Law, free of obligation related to liens or debts established by any presumed secondary beneficiaries, freely supported in the possession and use of their lawful currency and private and public property interests, including control of the copyright of their names, their estates, and other material assets.

American State Citizens are also owed the right to American Common Law courts, which are now reconstructing in every State of the Union. The Arkansas State, American Common Law Court will be in Session on August 27, 2023. If any claim needs to be made by the STATE OF ARKANSAS OR COUNTY OF GARLAND, or any other PERSON, against I, Sherrel Jean Courville©, or any other of my copywrite names, it MUST be filed in the Arkansas State, American Common Law Court.

The Federal United States and any other foreign interests which have infringed upon our natural copyrights and abused our given names in commerce are 100% and uniquely responsible for all debts and administration of these legal fiction personas by Maxim of Law and may not be allowed to continue making and enforcing any false presumptions of obligation, duty, or responsibility with regard to these entities which have been created without the knowing consent of and full disclosure to the free sovereign and independent people of the United States.

We are owed the National Debt of the Federal United States as the Priority Creditors thereof and may not be mischaracterized as Debtors of any kind. We have the only lawful standing with regard to the Continental United States on the land and are not being "represented" by any incorporated entity with regard to our land assets---and that includes any presumptions by the Federal United States and the District of Columbia Municipal Corporation, the American Bar Association or any other foreign corporation.

Our states are geographically defined, and our States of America are unincorporated public Body Politics competent to convene a Continental Congress and to direct all affairs of State related to us and our holdings. The fact that we have not taken action in recent memory in no way forestalls or precludes our right and ability to do so. We are not subject to any presumption of political extinguishment nor incompetence to trade nor any enmity toward any nation or people; we have maintained the peace for 150 years. Our silver dollar and other forms of our lawful national currency are still in service and widely used in trade throughout the world, serving as one of the few rational standards of value in existence. We have never authorized the Federal United States nor the District of Columbia Municipal Corporation

to misrepresent us, change our political status, copyright our names and abuse them, indebt us for their own debts as "presumed" sureties, or take other actions not specifically stipulated in the original Equity Contract known as The Constitution for the united States of America, and in fact we have remained unaware of all these nefarious activities being carried out in our names until the present time, when we have given full Notice of our claims and intent.

Any "New Deal" proposed by Franklin Delano Roosevelt was not properly nor fully disclosed, not lawfully implemented, and not accepted by the free sovereign and independent people of the United States; no valid signature can be presumed to exist under duress and semantic deceit and no acceptance of a fiat monetary system imposed for the convenience or needs of a foreign government may be deemed to affect us, our political standing, our jurisdiction, or our material assets.

Those corporations responsible for the deplorable criminality exposed by the public records and detailed by the claims and testimony of living witnesses to their crimes must be liquidated and their assets delivered to their actual creditors.

The recent misappropriation of our assets (again) by the so-called "County Executives" who are now in receipt of our gold originally purloined by the World Bank and IBRD acting as secondary creditors in the 1933-34 bankruptcy of "The United States of America, Inc." is a case in point. These "Counties" are franchises of foreign corporations that have no lawful relationship or public office related to us, so that the World Bank and IBRD have merely succeeded in handing off gold they have stolen from us under false pretenses to mere collaborating international criminals who are also --- at best ---- secondary and merely presumed beneficiaries pretending an interest in our estates.

This and other forms of international crime and collusion must be brought to a halt immediately.

The World Bank and IBRD must be sued in behalf of the actual Priority Creditors, heirs, and entitlement holders --- a duty that falls upon Mr. Blinken, and President Biden --- all of whom have occupied vacated public offices as employees of private corporate enterprises and must either perform the duties of the public office and protect the interests of the free sovereign and independent people of the United States or admit that they have been imposters and criminals bent upon abuse of the public trusts for private gain.

These are all matters of criminal and international law which have been grossly mis-administered by private corporate officers pretending to hold elected public offices and by international banks operating governmental services corporations pretending to be actual governments ---and all of which MUST be promptly and unequivocally corrected in favor of the actual Priority Creditors of those same banks --- the living free sovereign and independent people of the United States.

CONSTITUTIONAL CASE LAW

Bennett v. Boggs, 1 Baldw 60, "Statutes that violate the plain and obvious principles of common right and common reason are null and void". Would we not say that these judicial decisions are straight to the point --that there is no lawful method for government to put restrictions or limitations on rights belonging to the people? Other cases are even more straight forward: "The assertion of federal rights, when plainly and reasonably made, is not to be defeated under the name of practice."

Davis v. Wechsler , 263 US 22, 24. "Where rights secured by the Constitution are involved, there can be no rule making or legislation which would abrogate them."

Miranda v. Arizona, 384 US 436, 491. "The claim and exercise of a constitutional right cannot be converted into a crime."

Miller v. US, 230 F 486, 489. "There can be no sanction or penalty imposed upon one because of this exercise of constitutional rights."

Sherer v. Cullen , 481 F 946. We could go on, quoting court decision after court decision, however, the Constitution itself answers our question ♦ Can a government legally put restrictions on the rights of the American people at anytime, for any reason? The answer is found in Article Six of the U.S. Constitution: **Miranda v. Arizona, 384 U.S. 426, 491; 86 S. Ct. 1603** "Where rights secured by the Constitution are involved, there can be no 'rule making' or legislation which would abrogate them."

Norton v. Shelby County , 118 U.S. 425 p. 442

"An unconstitutional act is not law; it confers no rights; it imposes no duties; affords no protection; it creates no office; it is in legal contemplation, as inoperative as though it had never been passed."

Sherar v. Cullen , 481 F. 2d 946 (1973)

"There can be no sanction or penalty imposed upon one because of his exercise of constitutional rights."

Simmons v. United States , 390 U.S. 377 (1968)

"The claim and exercise of a Constitution right cannot be converted into a crime"... "a denial of them would be a denial of due process of law".

Cooper v. Aaron, 358 U.S. 1, 78 S.Ct. 1401 (1958). "No state legislator or executive or judicial officer can war against the Constitution without violating his undertaking to support it." U.S. v. Throckmorton, 98 US 61 WHEREAS, officials and even judges have no immunity (See, **Owen vs. City of Independence, 100 S Ct. 1398; Maine vs. Thiboutot, 100 S. Ct. 2502; and Hafer vs. Melo, 502 U.S. 21**; officials and judges are deemed to know the law and sworn to uphold the law; officials and judges cannot claim to act in good faith in willful deprivation of law, they certainly cannot plead ignorance of the law, even the Citizen cannot plead ignorance of the law, the courts have ruled there is no such thing as ignorance of the law, it is ludicrous for learned officials and judges to plead ignorance of the law therefore there is no immunity, judicial or otherwise, in matters of rights secured by the Constitution for the United States of America. See: **Title 42 U.S.C. Sec. 1983.** "When lawsuits are brought against federal officials, they must be brought against them in their "individual" capacity not their official capacity. HALE v. HENKEL 201 U.S. 43 at 89 (1906) Hale v. Henkel was decided by the united States Supreme Court in 1906. The opinion of the court states: "The "individual" may stand upon "his Constitutional Rights" as a CITIZEN. He is entitled to carry on his "private" business in his own way. "His power to contract is unlimited." He owes no duty to the State or to his neighbors to divulge his business, or to open his doors to an investigation, so far as it may tend to incriminate him. He owes no duty to the State, since he receives nothing there from, beyond the protection of his life and property. "His rights" are such as "existed" by the Law of the Land (Common Law) "long antecedent" to the organization of the State", and can only be taken from him by "due process of law", and "in accordance with the Constitution." "He owes nothing" to the public so long as he does not trespass upon their rights."

HALE V. HENKEL 201 U.S. 43 at 89 (1906) Hale v. Henkel is binding on all the courts of the United States of America until another Supreme Court case says it isn't. No other Supreme Court case has ever overturned Hale v. Henkel None of the various issues of Hale v. Henkel has ever been overruled since 1906, Hale v. Henkel has been cited by the Federal and State Appellate Court systems over 1,600 times! In nearly every instance when a case is cited, it has an impact on precedent authority of the cited case. Compared with other previously decided Supreme Court cases, no other case has surpassed Hale v. Henkel in the number of times it has been cited by the courts. "The rights of the individuals are restricted only to the extent that they have been voluntarily surrendered by the citizenship to the agencies of government."

"Highways are for the use of the traveling public, and all have the right to use them in a reasonable and proper manner; the use thereof is an inalienable right of every citizen." **Escobedo v. State 35 C2d 870 in 8 Cal Jur 3d p.27**

Lussier (1958) 139 A2d 869, 872 "The RIGHT of the citizen to DRIVE on the public street with freedom from police interference, unless he is engaged in suspicious conduct associated in some manner with criminality is a FUNDAMENTAL CONSTITUTIONAL RIGHT which must be protected by the courts."

People v. Horton 14 Cal. App. 3rd 667 (1971) "A "US Citizen" upon leaving the District of Columbia becomes involved in "interstate commerce", as a "resident" does not have the common-law right to travel, of a Citizen of one of the several states."

Miller v. US, 230 F 486, 489. "There can be no sanction or penalty imposed upon one because of this exercise of constitutional rights."

Sherer v. Cullen , 481 F 946. We could go on, quoting court decision after court decision, however, the Constitution itself answers our question ♦ Can a government legally put restrictions on the rights of the American people at anytime, for any reason? "An unconstitutional act is not law; it confers no rights; it imposes no duties; affords no protection; it creates no office; it is in legal contemplation, as inoperative as though it had never been passed."

Sherar v. Cullen , 481 F. 2d 946 (1973)

Hoffsommer v. Hayes, 92 Okla 32, 227 F. 417 "The courts are not bound by an officer's interpretation of the law under which he presumes to act."

Marbury v. Madison, 5 U.S. (2 Cranch) 137, 180 (1803)

"... the particular phraseology of the constitution of the United States confirms and strengthens the principle, supposed to be essential to all written constitutions, that a law repugnant to the constitution is void, and that courts, as well as other departments, are bound by that instrument." "In declaring what shall be the supreme law of the land, the Constitution itself is first mentioned; and not the laws of the United States generally, but those only which shall be made in pursuance of the Constitution, have that rank". "All law (rules and practices) which are repugnant to the Constitution are VOID". Since the 14th Amendment to the Constitution states "NO State (Jurisdiction) shall make or enforce any law which shall abridge the rights, privileges, or immunities of citizens of the United States nor deprive any citizens of life, liberty, or property, without due process of law, ... or equal protection under the law", this renders judicial immunity unconstitutional.

Scheuer v. Rhodes, 416 U.S. 232, 94 S. Ct. 1683, 1687 (1974)

Note: By law, a judge is a state officer. The judge then acts not as a judge, but as a private individual (in his person). **When a judge acts as a trespasser of the law**, when a judge does not follow the law, the Judge loses subject-matter jurisdiction and the judges' orders are not voidable, but VOID, and of no legal force or effect. The U.S. Supreme Court stated that "when a state officer acts under a state law in a manner violative of the Federal Constitution, he comes into conflict with the superior authority of that Constitution, and he is in that case stripped of his official or representative character and is subjected in his person to the consequences of his individual conduct. The State has no power to impart to him any immunity from responsibility to the supreme authority of the United States."

Miller v. U.S., 230 F. 2d. 486, 490; 42

"There can be no sanction or penalty imposed upon one, because of his exercise of constitutional rights."

Murdock v. Pennsylvania, 319 U.S. 105

"No state shall convert a liberty into a license, and charge a fee therefore."

Shuttlesworth v. City of Birmingham, Alabama, 373 U.S. 262

"If the State converts a right (liberty) into a privilege, the citizen can ignore the license and fee and engage in the right (liberty) with impunity."

Brinegar v. U.S., 388 US 160 (1949)

Probable Cause to Arrest - Provides details on how to determine if a crime has been or is being committed.

Carroll v. U.S., 267 US 132 (1925)

Probable Cause to Search - Provides details on the belief that seizable property exists in a particular place or on a particular person.

Draper v. U.S. (1959)

Probable cause is where known facts and circumstances, of a reasonably trustworthy nature, are sufficient to justify a man of reasonable caution in the belief that a crime has been or is being committed. *Reasonable man definition*; common textbook definition; comes from this case.

Davis v. Wechler, 263 U.S. 22, 24; Stromberb v. California, 283 U.S. 359; NAACP v. Alabama, 375 U.S. 449 "The assertion of federal rights, when plainly and reasonably made, are not to be defeated under the name of local practice."

"... the right to file a lawsuit pro se is one of the most important rights under the constitution and laws."

"Allegations such as those asserted by petitioner, however in artfully pleaded, are sufficient"...

Picking v. Pennsylvania Railway, 151 F.2d. 240, Third Circuit Court of Appeals

The plaintiffs civil rights pleading was 150 pages and described by a federal judge as "inept". Nevertheless, it was held "Where a plaintiff pleads pro se in a suit for protection of civil rights, the Court should endeavor to construe Plaintiff's Pleadings without regard to technicalities."

Puckett v. Cox, 456 F. 2d 233 (1972) (6th Cir. USCA)

It was held that a pro se complaint requires a less stringent reading than one drafted by a lawyer per Justice Black in Conley v. Gibson (see case listed above, Pro Se Rights Section).

Sims v. Abernethy, 271 SW 720 (1925) "The practice of law is an occupation of common right."
"Because of what appears to be a lawful command on the surface, many Citizens, because of their respect for what appears to be law, are cunningly coerced into waiving their rights due to ignorance."

TREZEVANT CASE DAMAGE AWARD STANDARD

"Evidence that motorist cited for traffic violation was incarcerated for 23 minutes during booking process, even though he had never been arrested and at all times had sufficient cash on hand to post bond pending court disposition of citation, was sufficient to support finding that municipality employing officer who cited motorist and county board of criminal justice, which operated facility in which motorist was incarcerated, had unconstitutionally deprived motorist of his right to liberty. 42 U.S.C.A. Sec. 1983." **Trezevant v. City of Tampa (1984) 741 F.2d 336, hn. 1**

"Jury verdict of \$25,000 in favor of motorist who was unconstitutionally deprived of his liberty when incarcerated during booking process following citation for traffic violation was not excessive in view of evidence of motorist's back pain during period of incarceration and jailor's refusal to provide medical treatment, as well as fact that motorist was clearly entitled to compensation for incarceration itself and for mental anguish that he had suffered from entire episode. 42 U.S.C.A. Sec. 1983." **Trezevant v. City of Tampa (1984) 741 F.2d 336, hn. 5**

Cooper v. Aaron, 358 U.S. 1, 78 S.Ct. 1401 (1958). "No state legislator or executive or judicial officer can war against the Constitution without violating his undertaking to support it." The constitutional theory is that we the people are the sovereigns, the state and federal officials only our agents." "The individual, unlike the corporation, cannot be taxed for the mere privilege of existing. The corporation is an artificial entity which owes its existence and charter powers to the state; but, the individual's rights to live and own property are natural rights for the enjoyment of which an excise cannot be imposed."

U.S. v. Throckmorton, 98 US 61 WHEREAS, officials and even judges have no immunity (See, **Owen vs. City of Independence, 100 S Ct. 1398; Maine vs. Thiboutot, 100 S. Ct. 2502; and Hafer vs. Melo, 502 U.S. 21;** officials and judges are deemed to know the law and sworn to uphold the law; officials and judges cannot claim to act in good faith in willful deprivation of law, they certainly cannot plead ignorance of the law, even the Citizen cannot plead ignorance of the law, the courts have ruled there is no such thing as ignorance of the law, it is ludicrous for learned officials and judges to plead ignorance of the law therefore there is no immunity, judicial or otherwise, in matters of rights secured by the Constitution for the United States of America. See: **Title 42 U.S.C. Sec. 1983.** "When lawsuits are brought against federal officials, they must be brought against them in their "individual" capacity not their official capacity. Montgomery v state 55 Fla. 97-45S0.879

a. "Inasmuch as every government is an artificial person, an abstraction, and a creature of the mind only, a government can interface only with other artificial persons. The imaginary, having neither actuality nor substance, is foreclosed from creating and attaining parity with the tangible."

The legal manifestation of this is that no government, as well as any law, agency, aspect, court, etc. can concern itself with anything other than corporate, artificial persons and the contracts between them."

S.C.R. 1795, Penhallow v. Doane's Administrators 3 U.S. 54; 1 L.Ed. 57; 3 Dall. 54; and,

- b. "the contracts between them" involve U.S. citizens, which are deemed as Corporate Entities:
- c. "Therefore, the U.S. citizens residing in one of the states of the union, are classified as property and franchises of the federal government as an "individual entity"', **Wheeling Steel Corp. v. Fox, 298 U.S. 193, 80 L.Ed. 1143, 56 S.Ct. 773**

Alexander v. Bethsworth, 1915. "Party cannot be bound by contract that he has not made or authorized. Free consent is an indispensable element in making valid contracts."

HALE v. HENKEL 201 U.S. 43 at 89 (1906) Hale v. Henkel was decided by the united States Supreme Court in 1906. The opinion of the court states: "The "individual" may stand upon "his Constitutional Rights" as a CITIZEN. He is entitled to carry on his "private" business in his own way. "His power to contract is unlimited." He owes no duty to the State or to his neighbors to divulge his business, or to open his doors to an investigation, so far as it may tend to incriminate him. He owes no duty to the State, since he receives nothing there from, beyond the protection of his life and property. "His rights" are such as "existed" by the Law of the Land (Common Law) "long antecedent" to the organization of the State", and can only be taken from him by "due process of law", and "in accordance with the Constitution." "He owes nothing" to the public so long as he does not trespass upon their rights."

HALE V. HENKEL 201 U.S. 43 at 89 (1906) Hale v. Henkel is binding on all the courts of the United States of America until another Supreme Court case says it isn't. No other Supreme Court case has ever overturned Hale v. Henkel None of the various issues of Hale v. Henkel has ever been overruled since 1906, Hale v. Henkel has been cited by the Federal and State Appellate Court systems over 1,600 times! In nearly every instance when a case is cited, it has an impact on precedent authority of the cited case. Compared with other previously decided Supreme Court cases, no other case has surpassed Hale v. Henkel in the number of times it has been cited by the courts. "The rights of the individuals are restricted only to the extent that they have been voluntarily surrendered by the citizenship to the agencies of government."

City of Dallas v Mitchell, 245 S.W. 944

"An illegal arrest is an assault and battery. The person so attempted to be restrained of his liberty has the same right to use force in defending himself as he would in repelling any other assault and battery." (**State v. Robinson, 145 ME. 77, 72 ATL. 260**).

Paramount Claim of the Life and the Estate of Sherrel Jean Courvelle (nee Stine)
Born June 22, 1968 in Texarkana, Texas
Warren J Stine X Shelby Jean Stine
The United States of America

Whereas I, the living woman known as Sherrel Jean Courvelle (nee Stine), am the result of the life and love and physical embodiment of my parents, the living man known as Warren J Stine and the living woman known as Shelby Jean Stine (née Fricks), now therefore I am their living daughter from the moment of conception and from the first combining of their unique genetic code to create my unique genetic code and my zygote in support of my physical embodiment then and now, and as I am the only true and surviving inheritor, I hereby publish my claim and recording of the facts:

The Afterbirth composed of a placenta, umbilical cord, and fetal tissues which accompanied me into this world and which was in possession of my DNA was never a viable separate living organism and was instead a portion of my flesh akin to any hair, skin, or other representation of my genetic content, that was not abandoned, not donated, and not returned to me or my parents for burial. No separate estate, living status, ownership interest or death apart from my own life may be claimed in behalf of the Afterbirth or other waste resulting from my birth, from my shedding of hair, my shedding of skin, the deposit of my fingerprints or any other DNA-containing substance whatsoever.

I hereby establish my Paramount Claim upon my unique DNA as the only lawful and living inheritor thereof from the moment of my conception forward and I also publish my nullification of any claim of ownership or material interest in my DNA based upon samples procured from any bodily waste or substance for any purpose.

As witness to my claims, I here affix the Signature and Seal of my Lawful Person, retaining all rights and prerogatives thereof:

US v. Minker, 350 US 179 at 187(1956) Supreme Court of the United States 1795

"Inasmuch as every government is an artificial person, an abstraction, and a creature of the mind only, a government can interface only with other artificial persons. The imaginary, having neither actuality nor substance, is foreclosed from creating and attaining parity with the tangible. The legal manifestation of this is that no government, as well as any law, agency, aspect, court, etc. can concern itself with anything other than corporate, artificial persons and the contracts between them."

Hagans v Lavine 415 U.S 533 "The law requires proof of jurisdiction to appear on the record of the administrative agency and all administrative proceedings."

Sramek v. Sramek, 17 Kan. App 2d 573, 576-7, 840 P. 2d 553 (1992) "A judgment rendered by a court without personal jurisdiction over the defendant is void. It is a nullity."

To the Attention of: Provost Marshal General, Judge Advocate General Navy, Judge Advocate General Air Force/Space Force, Judge Advocate General Army, Judge Advocate General U.S. Coast Guard, Judge Advocate General, Department of Defense, Judge Advocate Division/Offices of the General Counsels of the Military Departments, National Guard Bureau Chief, Army Brigadier General, Legal Counsel to the Chairman of the Joint Chiefs of Staff, Commander in Chief of the American Armed Forces –

The Arkansas Assembly is in session and has accepted The Arkansas State Trust. Arkansas is a State of the Union and a member of The Federation of States operating as the United States of America Unincorporated. We will be in continuous session at least for the next 5 years cleaning up the mess created here within the contiguous borders of Arkansas by over a century of run amok unlawful and illegal activities perpetrated by incorporated entities.

After 1860, all land interests entered into Territorial Statehood according to The Northwest Ordinance. As of October 1st (first) of 2020, all those Territorial States were enrolled officially as States of the Union by those State Assemblies established prior to 1860 entering their unanimous Roll Call Votes upon the Public Record. All now 50 (fifty) States are indeed actual States of the Union, owning all land within their borders and free of any Territorial custodial interest. The Corporations, including incorporated Corporations, which have been established in our names ever since 1860, are all interrelated to associations and charters granted by the Kings and Queens and Popes operating in our names via fraudulent assumption of powers never granted to them, and now all those parent corporations are bankrupt and in receivership to us, their Priority Creditors. Every single one.

If they fail to operate lawfully---a far higher standard than to merely operate legally – the corporations will be dissolved, and their officers will be arrested. We hope that everyone is in agreement that living men and women should not be endangered in any way by lifeless, faceless, unaccountable business organizations, which have no right to exist apart from public tolerance.

Lands, as found in 42 American Jurisprudence, Sec 781 thru 873, shows that a Patent of land is to be the title to land and anything else is Fraud. Transfer of a Patent is by release of Patent Interest Right and not by some form of "usury instrument" of Trust or Warranty. (See also 40 AM JUR, 577 thru 688).

Please see attached Peace Proclamation, Peace Treaty, Public Notice to Vacate, Authorization to Act for the Joint Chiefs of Staff, International and Public Declaration of Possession by Right, Public International Notice to the High Courts and the United Nations, and The Law of Kinds.

Notice is Given

1. Per an 1866 court case known as *ex parte Milligan*, 71 U.S. 2 (1866):
It has been found to be unconstitutional to try civilians by military tribunals unless there is not civilian court available. "12. A citizen not connected with the military service and a resident in a State where the courts are open and in the proper exercise of their jurisdiction cannot, even when the privilege of the writ of habeas corpus is suspended, be tried, convicted, or sentenced otherwise than by the ordinary courts of law"
2. International Peace Proclamation and Grand Peace Treaty has been in effect as of August 1, 2021. The law of War and military occupation now must come to an end; and there is no jurisdiction for military tribunals processing non-military people within our borders. The Law of Necessity must come to an end and the Law of Kinds must be employed.
3. As of Midnight GMT, on 4 April 2023 all rights, interests, assets, and physical titles, claims, and possessions of the United States, Incorporated, and its franchises and derivatives, and all similar rights, interests, assets, and physical titles, claims and possessions of the United States of America, Incorporated, and its franchises and derivatives, both insolvent incorporated foreign Debtors/DEBTORS, revert to the ownership and possession of The United States, our National Government, and The United States of America, our unincorporated Federation of States, which are the Priority Creditors of these corporations in their respective jurisdictions.

As of this date and time, these incorporated entities have ceased to exist, and only the Principals remain. Please understand that our respective American Governments are the Priority Creditors of all British Territorial and Municipal United States persons, including incorporated entities of all kinds. These corporations, their franchises, successors, derivatives, and assigns are hereby Nationalized under the Due Course of International

Law and by Operation of Law that returns all Delegated Powers to the Delegators upon contractual Failure to Perform. This is the direct result of Gross Breach of Trust and violation of Commercial Service Contract, fiscal incompetence, and numerous acts of crime against the American People and States who are owed good faith and service from these organizations and the other Principals who are actually and contractually responsible for them.

4. On the evening of 27th day of August, in the year 2023, at 6:00 pm, Central Standard Time. The Arkansas Assembly called together a pool of American State Citizens and impaneled a Grand Jury of 25; and we are giving notice to the military of the United States in all branches and Departments of this action.
5. The guarantee of trial by jury contained in the Constitution was intended for a state of war, as well as a state of peace.

Follow on orders are forthwith and you are hereby ordered to stand by for further instructions.

DEPRIVATION OF RIGHTS UNDER COLOR OF LAW

Section 242 of Title 18 makes it a crime for a person acting under color of any law to willfully deprive a person of a right or privilege protected by the Constitution or laws of the United States.

For the purpose of Section 242, acts under "color of law" include acts not only done by federal, state, or local officials within their lawful authority, but also acts done beyond the bounds of that official's lawful authority, if the acts are done while the official is purporting to or pretending to act in the performance of his/her official duties. Persons acting under color of law within the meaning of this statute include police officers, prison guards and other law enforcement officials, as well as judges, care providers in public health facilities, and others who are acting as public officials. It is not necessary that the crime be motivated by animus toward the race, color, religion, sex, handicap, familial status or national origin of the victim.

The offense is punishable by a range of imprisonment up to a life term, or the death penalty, depending upon the circumstances of the crime, and the resulting injury, if any.

TITLE 18, U.S.C., SECTION 242

Whoever, under color of any law, statute, ordinance, regulation, or custom, willfully subjects any person in any State, Territory, Commonwealth, Possession, or District to the deprivation of any rights, privileges, or immunities secured or protected by the Constitution or laws of the United States, ... shall be fined under this title or imprisoned not more than one year, or both; and if bodily injury results from the acts committed in violation of this section or if such acts include the use, attempted use, or threatened use of a dangerous weapon, explosives, or fire, shall be fined under this title or imprisoned not more than ten years, or both; and if death results from the acts committed in violation of this section or if such acts include kidnapping or an attempt to kidnap, aggravated sexual abuse, or an attempt to commit aggravated sexual abuse, or an attempt to kill, shall be fined under this title, or imprisoned for any term of years or for life, or both, or may be sentenced to death.

Syllabus

1. Circuit Courts, as well as the judges thereof, are authorized, by the fourteenth section of the Judiciary Act, to issue the writ of habeas corpus for the purpose of inquiring into the cause of commitment, and they have

Page 71 U. S. 3

jurisdiction. except in cases where the privilege of the writ is suspended. to hear and

determine the question whether the party is entitled to be discharged.

2. The usual course of proceeding is for the court, on the application of the prisoner for a writ of habeas corpus, to issue the writ, and, on its return, to hear and dispose of the case; but where the cause of imprisonment is fully shown by the petition, the court may, without issuing the writ, consider and determine whether, upon the facts presented in the petition, the prisoner, if brought before the court, would be discharged.

3. When the Circuit Court renders a final judgment refusing to discharge the prisoner, he may bring the case here by writ of error, and, if the judges of the Circuit Court, being opposed in opinion, can render no judgment, he may have the point upon which the disagreement happens certified to this tribunal.

4. A petition for a writ of habeas corpus, duly presented, is the institution of a cause on behalf of the petitioner, and the allowance or refusal of the process, as well as the subsequent disposition of the prisoner is matter of law, and not of discretion.

5. A person arrested after the passage of the act of March 3d, 1863, "relating to habeas corpus and regulating judicial proceedings in certain cases," and under the authority of said act, was entitled to his discharge if not indicted or presented by the grand jury convened at the first subsequent term of the Circuit or District Court of the United States for the District.

6. The omission to furnish a list of the persons arrested to the judges of the Circuit or District Court as provided in the said act did not impair the right of said person, if not indicted or presented, to his discharge.

7. Military commissions organized during the late civil war, in a State not invaded and not engaged in rebellion, in which the Federal courts were open, and in the proper and unobstructed exercise of their judicial functions, had no jurisdiction to try, convict, or sentence for any criminal offence, a citizen who was neither a resident of a rebellious State nor a prisoner of war, nor a person in the military or naval service. And Congress could not invest them with any such power.

8. The guaranty of trial by jury contained in the Constitution was intended for a state of war, as well as a state of peace, and is equally binding upon rulers and people at all times and under all circumstances.

9. The Federal authority having been unopposed in the State of Indiana, and the Federal courts open for the trial of offences and the redress of grievances, the usages of war could

not, under the Constitution, afford any sanction for the trial there of a citizen in civil life not connected with the military or naval service, by a military tribunal, for any offence whatever.

10. Cases arising in the land or naval forces, or in the militia in time of war or public danger, are excepted from the necessity of presentment or indictment by a grand jury, and the right of trial by jury in such cases is subject to the same exception.

Page 71 U. S. 4

11. Neither the President nor Congress nor the Judiciary can disturb any one of the safeguards of civil liberty incorporated into the Constitution except so far as the right is given to suspend in certain cases the privilege of the writ of habeas corpus.

12. A citizen not connected with the military service and a resident in a State where the courts are open and in the proper exercise of their jurisdiction cannot, even when the privilege of the writ of habeas corpus is suspended, be tried, convicted, or sentenced otherwise than by the ordinary courts of law.

13. Suspension of the privilege of the writ of habeas corpus does not suspend the writ itself. The writ issues as a matter of course, and, on its return, the court decides whether the applicant is denied the right of proceeding any further.

14. A person who is a resident of a loyal State, where he was arrested, who was never resident in any State engaged in rebellion, nor connected with the military or naval service, cannot be regarded as a prisoner of war.

This case came before the court upon a certificate of division from the judges of the Circuit Court for Indiana, on a petition for discharge from unlawful imprisonment.

The case was thus:

An act of Congress -- the Judiciary Act of 1789, [Footnote 1] section 14 -- enacts that the Circuit Courts of the United States

"Shall have power to issue writs of habeas corpus. And that either of the justices of the Supreme Court, as well as judges of the District Court, shall have power to grant writs of habeas corpus for the purpose of an inquiry into the cause of commitment. *Provided,*"

&c.

Another act -- that of March 3d 1862, [Footnote 2] "relative to habeas corpus, and

regulating judicial proceedings in certain cases" -- an act passed in the midst of the Rebellion -- makes various provisions in regard to the subject of it.

The first section authorizes the suspension, during the Rebellion, of the writ of habeas corpus, throughout the United States, by the President.

Two following sections limited the authority in certain respects.

Page 71 U. S. 5

The second section required that lists of all persons, being citizens of States in which the administration of the laws had continued unimpaired in the Federal courts, who were then held, or might thereafter be held, as prisoners of the United States, under the authority of the President, otherwise than as prisoners of war, should be furnished by the Secretary of State and Secretary of War to the judges of the Circuit and District Courts. These lists were to contain the names of all persons, residing within their respective jurisdictions, charged with violation of national law. And it was required, in cases where the grand jury in attendance upon any of these courts should terminate its session without proceeding by indictment or otherwise against any prisoner named in the list, that *the judge* of the court should forthwith make an order that such prisoner, desiring a discharge, should be brought before him or the court to be discharged, on entering into recognizance, if required, to keep the peace and for good behavior, or to appear, as the court might direct, to be further dealt with according to law. Every officer of the United States having custody of such prisoners was required to obey and execute *the judge's* order, under penalty, for refusal or delay, of fine and imprisonment.

The third section enacts, in case lists of persons other than prisoners of war then held in confinement or thereafter arrested, should not be furnished within twenty days after the passage of the act, or, in cases of subsequent arrest, within twenty days after the time of arrest, that any citizen, after the termination of a session of the grand jury without indictment or presentment, might, by petition alleging the facts and verified by oath, obtain *the judge's* order of discharge in favor of any person so imprisoned, on the terms and conditions prescribed in the second section.

This act made it the duty of the District Attorney of the United States to attend examinations on petitions for discharge.

By proclamation, [Footnote 3] dated the 15th September following,

Page 71 U. S. 6

the President, reciting this statute, suspended the privilege of the writ in the cases where, by his authority, military, naval, and civil officers of the United States

"hold persons in their custody either as prisoners of war, spies, or aiders and abettors of the enemy. . . . or belonging to the land or naval force of the United States, or otherwise amenable to military law, or the rules and articles of war, or the rules or regulations prescribed for the military or naval services, by authority of the President, or for resisting a draft, or for any other offence against the military or naval service."

With both these statutes and this proclamation in force, Lamdin P. Milligan, a citizen of the United States, and a resident and citizen of the State of Indiana, was arrested on the 5th day of October, 1864, at his home in the said State, by the order of Brevet Major-General Hovey, military commandant of the District of Indiana, and by the same authority confined in a military prison at or near Indianapolis, the capital of the State. On the 21st day of the same month, he was placed on trial before a "military commission," convened at Indianapolis, by order of the said General, upon the following charges, preferred by Major Burnett, Judge Advocate of the Northwestern Military Department, namely:

1. "Conspiracy against the Government of the United States;"
2. "Affording aid and comfort to rebels against the authority of the United States;"
3. "Inciting insurrection;"
4. "Disloyal practices;" and
5. "Violation of the laws of war."

Under each of these charges, there were various specifications. The substance of them was joining and aiding, at different times between October, 1863, and August, 1864, a secret society known as the Order of American Knights or Sons of Liberty, for the purpose of overthrowing the Government and duly constituted authorities of the United States; holding communication with the enemy; conspiring to seize munitions of war stored in the arsenals; to liberate

Page 71 U. S. 7

prisoners of war, &c.; resisting the draft, &c.; . . .

"at a period of war and armed rebellion against the authority of the United States, at or near Indianapolis (and various other places specified) in Indiana, a State within the

military lines of the army of the United States and the theatre of military operations, and which had been and was constantly threatened to be invaded by the enemy."

These were amplified and stated with various circumstances.

An objection by him to the authority of the commission to try him being overruled, Milligan was found guilty on all the charges, and sentenced to suffer death by hanging, and this sentence, having been approved, he was ordered to be executed on Friday, the 19th of May, 1865.

On the 10th of that same May, 1865, Milligan filed his petition in the Circuit Court of the United States for the District of Indiana, by which, or by the documents appended to which as exhibits, the above facts appeared. These exhibits consisted of the order for the commission; the charges and specifications; the findings and sentence of the court, with a statement of the fact that the sentence was approved by the President of the United States, who directed that it should "be carried into execution without delay;" all "by order of the Secretary of War."

The petition set forth the additional fact that, while the petitioner was held and detained, as already mentioned, in military custody (and more than twenty days after his arrest), a grand jury of the Circuit Court of the United States for the District of Indiana was convened at Indianapolis, his said place of confinement, and duly empaneled, charged, and sworn for said district, held its sittings, and finally adjourned without having found any bill of indictment, or made any presentment whatever against him. That at no time had he been in the military service of the United States, or in any way connected with the land or naval force, or the militia in actual service; nor within the limits of any State whose citizens were engaged in rebellion against the United States, at any time during the war, but, during all the time aforesaid, and for twenty years last past, he had been an

Page 71 U. S. 8

inhabitant, resident, and citizen of Indiana. And so that it had been

"wholly out of his power to have acquired belligerent rights or to have placed himself in such relation to the government as to have enabled him to violate the laws of war."

The record, in stating who appeared in the Circuit Court, ran thus:

"Be it remembered, that on the 10th day of May, A.D. 1865, in the court aforesaid, before the judges aforesaid, comes Jonathan W. Gorden, Esq., of counsel for said Milligan, and

mes here, in open court, the petition of said Milligan, to be discharged. . . . At the same time comes John Hanna, Esquire, the attorney prosecuting the pleas of the United States in this behalf. And thereupon, by agreement, this application is submitted to the court, and day is given, &c."

The prayer of the petition was that, under the already mentioned act of Congress of March 3d, 1863, the petitioner might be brought before the court and either turned over to the proper civil tribunal to be proceeded with according to the law of the land or discharged from custody altogether.

At the hearing of the petition in the Circuit Court, the opinions of the judges were opposed upon the following questions:

- I. On the facts stated in the petition and exhibits, ought a writ of habeas corpus to be issued according to the prayer of said petitioner?
- II. On the facts stated in the petition and exhibits, ought the said Milligan to be discharged from custody as in said petition prayed?
- III. Whether, upon the facts stated in the petition and exhibits, the military commission had jurisdiction legally to try and sentence said Milligan in manner and form, as in said petition and exhibit is stated?

And these questions were certified to this court under the provisions of the act of Congress of April 29th, 1862, [Footnote 4] an act

Page 71 U. S. 9

which provides

"that whenever any question shall occur before a Circuit Court upon which the opinions of the judges shall be opposed, the point upon which the disagreement shall happen shall, during the same term, upon the request of *either party* or their counsel, be stated under the direction of the judges and certified under the seal of the court to the Supreme Court, at their next session to be held thereafter, and shall by the said court be *finally* decided, and the decision of the Supreme Court and their order in the premises shall be remitted to the Circuit Court and be there entered of record, and shall have effect according to the nature of the said judgment and order; *Provided*, That nothing herein contained shall prevent the cause from proceeding if, in the opinion of the court, further proceedings can be had without prejudice to the merits."

The three several questions above mentioned were argued at the last term. And along with them, an additional question raised in this court, namely:

IV. A question of jurisdiction, as -- 1. Whether the Circuit Court had jurisdiction to hear the case there presented? -- 2. Whether the case sent up here by certificate of division was so sent up in conformity with the intention of the act of 1802? in other words, whether this court had jurisdiction of the questions raised by the certificate?

Notice to Agent is Notice to Principal, Notice to Principal is Notice to Agent

Dear, Tim Griffin,

We the people, all Arkansas and American vessels [bodies, cars, Legacy, accounts, etc.] are not subject to arrest or seizure by judicial process in the United States: exempt from Arrest or Seizure as per your code U.S.C. Title 46 Subsection 30908 (enclosed). We are not individual corporations created under Municipal law.

We the people on Arkansas are exempt from all Territorial obligations, as we are Foreign Sovereigns as stated on the Mandatory Notice of Foreign Sovereign Immunities Act (enclosed). We claim our exemption under the Supremacy Clause of Article VI of the Constitution for the united States of America and Amendment XI thereof, which provides that no American is subject to foreign law. We are not individuals created under 1 USC 8 as Territorial citizens.

We the people on Arkansas have only one contract with the government officials. If they are MUNICIPAL Employees, the contract is the Constitution of the United States. If they are TERRITORIAL Employees, the contract is the Constitution of the United States of America. Article VI is the Supremacy Clause, no other law, statue, code, conveyance, restriction, or regulation stands above the Constitution owed to me as Americans and any contrary law is null and void. Amendment 10; the power remains with the States and the people. Amendment 11; Americans are not subject to any foreign law. Ever! This includes the statutes of the States of States, and the STATES OF STATES and the codes of the Federal Subcontractors.

Therefore, we the people on Arkansas owe no duty to any Municipal or Territorial court, instead any Municipal or Territorial court has a duty to set us free from any presumption of obligation under any foreign law, and to return to us our assets and our freedom without debt or encumbrance.

Ex-Parte Notice Attorney General- Tim Griffin

If any claim or presentment or indictment needs to be made against we the people on Arkansas, it must be made through our established Arkansas Jural Assembly and brought forward in the Arkansas State American Common Law Courts which are now in session.
