January 2023 I filed a report about Tiffany Terry Attaway Stealing my son's service dog, Aussie. She worked at SoZo Rehab center.

I have made several calls to Garland County Sheriff Department about my neighbors trespassing- the deputy assured me he was making notes.

March 1, 2023, 11:17A.M. White Van parked on my property. I called 911. I was my neighbors SoZo men's rehab having someone fix their fence. Parked on my property. They moved when I yelled I was calling the Sheriffs department and I let my dogs out to bark at them. I called back to the sheriffs department and told the dispatch that the Van had moved.

March 23, 2023 called garland county about a man from SoZo trespassing in our back pasture.

March 25, 2023 called the sheriff department about 2 of SoZo's clients out in the woods next to my horses and they were having Sexual Intercourse where we could hear them and we saw them putting their clothes back on coming out of the woods.

i have made calls to 911 and the non emergency number. I would like a record.

April 8, 2023 called garland county about 2 men from SoZo's Trespassing on my property starring at me and my daughter while we were swinging in the front yard.

April 14, 2023 called sheriffs department Kalya Lovan was threatening my 13 year old daughter yelling at my daughter to get her dog off of their property. the dog was not on their property but got between my daughter and the woman screaming at her. she grabbed her dog and came home.

May 1 2023 got home and noticed SoZo's back gate was wide open on my property. I called the sheriff department

May 4, 2023 SoZo's clients tied my mailbox shut. I called the sheriff department.

May 4, 2023 I called the sheriff department because Gary Bennett made me take my electric fence down that was on the property line. Their fence sits directly on the line and i do not want them on our property.

I have been trying to take care of a very malnourished, what appears to be a full blooded Australian shepherd. we have been calling him Red. He's super sweet, but wasn't taken care of at all. He had his first car ride yesterday, but warmed up to me and my husband inside of our home, very quickly. Poor fellow needs a safe place to stay with a big yard to run in, and patient, kind humans. Used to being around big dogs and geese, ducks, donkeys and horses. He loves my big dog, but is weary and growls at my smaller dogs. Good around children. I will be picky about where he goes due to where he's come from. Please share! Needs a furever home.

ATTN: JUDGE JOE GRAHAM, JUDGE DANNY THRAILKILL, JUDGE MEREDITH SWITZER, JUDGE KARA ANN PETRO, JUDGE DARRYL MAHONEY and any other adjudicating/presiding JUDGES who may be or have been Assigned to these cases. PROSECUTING ATTORNEY MICHELLE COE LAWRENCE

I am writing you to educate and inform you of information that you may not be aware of:
This is a matter of urgent importance. It concerns either mistaken identity or identity theft, depending upon each man's estimate of the situation.

Very briefly: at the end of the American Revolutionary War two distinct groups of people lived in the former Colonies as memorialized in the Treaty of Paris 1783, Article III: the "free sovereign and independent people of the United States" and the "inhabitants". The "inhabitants" were and are --from

the perspective of the “free sovereign and independent people”—British Loyalists and subjects of the Crown permitted to co-habit our land via Treaty of Peace.

At the end of the American Civil War, President Andrew Johnson declared peace on the land via three separate proclamations establishing an undisputed Treaty of Peace and commercial contract obligation honoring the fact that the “free sovereign and independent people of the United States” were at peace and we have remained so ever since. No such peace was ever declared for the “inhabitants” and no Peace Treaty in their behalf was ever signed, with the result that they have been at constant war since 1860.

Ever since that time the “free sovereign and independent people of the United States” have been non-combatants and Protected Persons recognized and honored as such successively by the Lieber Code and most recently by the Geneva Convention Protocols of 1949.

In 1868, the United States Congress operating as the government of the District of Columbia established its own constitution as an incorporated municipal government and established a new municipal citizenship for the subjects of the British Crown called “United States citizenship”. For its own purposes and its own administration only, the words “state” “State” and “United States” were formally redefined to mean “District of Columbia Municipal Corporation” and the word “person” was redefined to mean “corporation”.

None of this had anything to do with the “free sovereign and independent people of the United States”, but in order to keep it straight, people informally described the inhabitants subject to the British Crown as citizens of the Federal United States, as opposed to the Continental United States.

This in turn gave rise to a fundamental confusion. If you claimed to be a citizen of the United States, which United States were you talking about? Were you an inhabitant of the Federal United States? Or one of the free sovereign and independent people living on the land of the Continental United States? In order to make sure that people were not deprived of their correct political status the Congress passed the Expatriation Act of July 1868 which guarantees the right of the living people to determine their political status and which also underscores the government’s lack of authority to determine this choice for us.

By 1933 the federal governmental services corporation providing nineteen “essential governmental services” to the American states was bankrupted by foreign creditors. Franklin Delano Roosevelt and the then- “Governors” operating federal “State of State” franchises of this municipal corporation acted without delegated authority to create millions of foreign situs trusts named after all living Americans— both the British Subjects and the free sovereign and independent people of the United States— and via false claims that they “represented” us in this matter, changed the political status of the free sovereign and independent people of the United States to that of “inhabitants” so as to expedite commercial claims against their labor and property assets benefiting the privately owned and operated bankrupt governmental services corporations.

The people were never informed. No disclosure was made. It was all “presumed” upon us by politicians acting without delegated authority.

The free sovereign and independent people of the United States were not even afforded the opportunity to exercise the protections of the Expatriation Act because they were not informed of Roosevelt’s action to arbitrarily change their political status to that of “inhabitants” and were equally not informed of the federal corporation’s claim that they were “voluntarily” standing as sureties for its debts.

Everyone on Earth will agree that it is impossible to object to a contract if you don’t know the contract

exists, and that is essentially the position that the “free sovereign and independent people of the United States” have been in as a result of criminal conspiracy on the part of our employees.

As of 1998, we, The American States Assembly, objected to these processes and claims – including any claim altering our birthright political status. The Internal Revenue Service and many other agencies were given Notice at this time and in years thereafter.

As of 2011, the UNITED STATES, INC. and its STATE OF STATE franchises were shown to be in administrative and commercial default.

As of 2015, the free sovereign and independent people of the United States have been forced to issue a new Declaration of Joint Sovereignty and new Sovereign Letters Patent in behalf of the “free sovereign and independent people of the United States”, their states defined by geographic boundaries, their living citizens, and their assets and have joined with the Native American nations to assert their claim to the land jurisdiction of the United States owed to us free and clear. The Arkansas State Assembly was reconstructed in Arkansas in 2018. Letters have been sent out to State of State Officials Noticing them of the Arkansas State Assemblies presence being in operation.

As of 2021 the states have been working to reconstruct our American Common Law Courts that were never reconstructed after the Civil War. The Arkansas Jural Assembly is in Session and our Arkansas Common Law courts will be open In Session and established on August 27, 2023.

Any presumption that the United States and its people just “disappeared” because of criminal legal chicanery practiced against us by identity thieves and credit card snatchers wearing nice suits would be an inexcusable Breach of Trust and act of gross criminal malfeasance.

Which brings us to the other issues:

Absent performance of the duty required by United States 2 Statute-at-Large 153 there can be no actual change of one of the people’s birthright status by any private contract or commercial obligation.

By Maxim of Law, the creation of “corporate personas” via the abuse of purloined copyrights of our given names is entirely the responsibility of those who created and named foreign situs trusts and constructive ESTATE trusts and now public transmitting utilities after us without our knowledge.

The free sovereign and independent people of the United States are in fact the Priority Creditors of the so-called National Debt and the employers and benefactors of those who have promulgated this criminal abuse of our trust.

Our States of America are now and have always been separate from and foreign with respect to the Federal United States, such that this becomes a matter of international law, diplomacy, and treaty.

As the heirs of the American Republic, we are owed The Constitution for the united States of America and all due respect as living people, all interest as Priority Creditors of the various banks and governmental services corporations, and the return of our property assets and material interests free and clear from titles and liens held under color of law by merely presumed secondary beneficiaries.

We are also entitled to be set free from any and all presumptions of obligation for the debts of the Federal United States, any obligation of federal US citizenship, and any duty to perform under private statutory law. We are owed our American Common Law Courts We are owed the return of the copyright to our given names and all assets that are naturally ours.

As a result of the criminal fraud, breach of trust, malfeasance, and personage practiced against us by your predecessors in office, we have been press-ganged into the international jurisdiction of the sea, suffered inland piracy, unlawful conversion, identity theft, copyright infringement, and credit fraud.

Many Americans have suffered false arrest, armed extortion, racketeering, and eviction under the false presumptions and mischaracterizations created by this systemic fraud.

It is past time for these outrages to end.

The US Secretary of State, John Kerry was Noticed in 2015 that he is responsible for the affairs of State for the organization(s) he represents. Our nation is foreign with respect to the Federal United States. This is therefore a matter of international diplomacy and failure to recognize international obligations of long-standing.

It is the US Secretary of State's responsibility to create and define the administrative protocol, forms, and instructions that will allow all federal employees and agencies to differentiate between "inhabitants" and the free sovereign and independent people of the United States. There should be no doubt in your mind nor in theirs what it means when we draw the line and identify ourselves as one of the free sovereign and independent people of the United States.

There must be a straightforward and official means to explicitly declare our political status and to correct the civil records maintained by the probate courts and there must be an end to all false presumptions and hostilities being offered against us by federal employees, agents, subcontractors, and secondary creditors—including their bill collectors, the American Bar Association and the Internal Revenue Service. We are your Priority Creditors, not the banks which are using the various governmental services corporations as fronts to veil their self-interest in these matters.

In this packet I, Sherrel Jean Courville©, the living woman, standing on the land and soil jurisdiction as a free sovereign and independent woman making my political status crystal clear to these courts.

GARLAND COUNTY DISTRICT COURT and GARLAND COUNTY CIRCUIT COURT has no right to question my choice: the courts indeed owe me a "discriminating

inquiry" into my political status per Baker v. Carr 369 U.S. 186 (1962) once the question of political status has been raised—which it is being raised repeatedly in this and every other case wherein statutory law has been misapplied and jurisdiction has been falsely assumed.

I, Sherrel Jean Courville©, like millions of others are civilian non-combatants and protected persons who have been arbitrarily and self-interestedly "presumed upon" by members of the American Bar Association who are operating private, foreign, corporate administrative tribunals under false pretenses and routinely ignoring the political status of the people they are addressing, the jurisdictional barriers they are violating, and the criminal and repugnant claims they are making upon their Priority Creditors and benefactors.

The American Bar Association and the Internal Revenue Service are both owned and operated by Northern Trust, Inc. as private, for-profit, foreign debt collection agencies. They are not units of government, not professional associations, not even non-profit organizations. They are criminal syndicates operating under color of law and semantic deceit in violation of their corporate charters and the Bar Association Treaty allowing them to be here; whereupon we have established a formal commercial obligation lien against the American Bar Association and the International Bar Association and the Department of Justice, which again, as it turns out, is nothing but a private corporation and subcontractor having no public function or office or delegated authority whatsoever.

These are the facts, and we are the people---- the free sovereign and independent people of the United States who severed all obligations to the British Crown more than two centuries ago, who are the Priority Creditors of these criminals, who are the lawful entitlement holders of all actual property in the Continental United States, who are the beneficiaries of the national trust--- not the beneficiaries of the "public charitable trust".

I am also demanding the release of Sherrel Jean Courville©, from the custody of the "GARLAND COUNTY DISTRICT COURT AND GARLAND COUNTY CIRCUIT COURT" and the correction and censure of

the "US District Court" which has failed to properly operate and instruct its corporate franchise doing business as the "Garland County District Court and Garland County Circuit Court" --- a failure that has resulted in assault, trespass, duress, false arrest, endangerment and harm to the free sovereign and independent people of the United States who are uniformly owed due diligence and performance of "essential governmental duties" including protection against international crime: false claims made by undeclared foreign agents, misrepresentation, unlawful conversion, personage, barratry, constructive fraud, false presumption of political status, falsification of public records, false arrest by foreign commercial mercenaries, trespass upon private property by same undeclared foreign commercial mercenaries, assault against peaceful non-combatants who are protected persons under international law, infringement of copyrighted names, false claims of indebtedness and status as sureties for commercial debts, imposition of bogus maritime salvage liens, and occupation of vacant public offices by private commercial interests acting without delegated authority or jurisdiction while seeking to gain private advantage from public resources.

All Federal United States personnel and agencies must be similarly informed and instructed to prevent their misdirection and the misadministration of their duties.

Specifically, all Federal United States personnel and agencies under contract and owing the "free sovereign and independent people of the United States" protection in all international jurisdictions and also full faith and credit as their priority creditors, are required to immediately cease and desist all those repugnant and criminal presumptions resulting from FDR's fraud as fully described in The American State Assembly's published affidavit, "You Know Something Is Wrong When...An American Affidavit of Probable Cause".

The United Nations Secretary General is responsible for the enforcement of the pledge of the Federal United States to uphold the principles of international law and the published agreements and guarantees represented by the Universal Declaration of Human Rights and specifically, the Right of Self-Declaration of political status.

The (Federal) United States Secretary of State, Antony Blinken, has been Noticed repeatedly that he is responsible for recognizing and honoring the free sovereign and independent people of the (Continental) United States and for the proper functioning of all "inhabitants" and agencies under contract to serve them. He is also responsible for the enforcement of the Bar Association Treaty and the lawful functioning of all foreign agents inhabiting the land jurisdiction of the United States.

These corporations --- Northern Trust, Internal Revenue Service, American Bar Association, DEPARTMENT OF JUSTICE, District of Columbia Municipal Corporation, United States Corporations Company, Fidelity Investments, District of Columbia Municipal Corporation dba "US DISTRICT COURT" and its franchises doing business as "STATE OF..." COURTS and "COUNTY COURTS" -- among other legal fiction entities operating in the international jurisdiction of the sea have been allowed to trespass upon the land jurisdiction owed to the free sovereign and independent people of the United States and to engage in predatory activities against these innocent non-combatants including press-ganging, inland piracy, securities fraud, copyright infringement and kidnapping. You have now been fully informed and enjoined from making any other presumptions of fact related to us or any other of the "free sovereign and independent people of the United States". You have also been given Notice of serious violations of commercial contract and treaty and also international violations of human rights being practiced against Americans by foreign corporations which are violating their corporate charters and the Treaties allowing their presence on our land.

We are calling for the immediate liquidation of all Federal corporations found to be operating as

criminal syndicates, the arrest of all Federal officials who fail to honor their obligations to the States of America and people living within their boundaries, and the immediate correction of political status owed to all Americans including I, Sherrel Jean Courville©, who is being held under false arrest and false presumptions of foreign political status.

The office of "United States Secretary of State" Antony Blinken has taken on the duties of that office and is obligated to perform according to treaty and commercial contract owed to the free sovereign and independent people of the United States and their geographically defined states and their States of America organized as unincorporated trading companies. Failure to do so and to provide remedy for these current outrages will be proof of purposeful criminality, malfeasance, and criminal intent on the part of Mr. Blinken and the Federal United States whether by act or omission.

Similarly, the Federal United States has signed the Universal Declaration of Human Rights and the Right of Self-Declaration and has no basis for objecting to the similar Natural and Unalienable Rights of their Creditors who object to fraudulent misrepresentation and wish to obtain correction of a merely presumed political status that is being foisted off on them against their stated and long-established Will.

American state citizens must be recognized and accorded their political status, set free, released free and clear of any presumption of unnatural or adopted political status not in compliance with the Public Law, free of obligation related to liens or debts established by any presumed secondary beneficiaries, freely supported in the possession and use of their lawful currency and private and public property interests, including control of the copyright of their names, their estates, and other material assets.

American State Citizens are also owed the right to American Common Law courts, which are now reconstructing in every State of the Union. The Arkansas State, American Common Law Court will be in Session on August 27, 2023. If any claim needs to be made by the STATE OF ARKANSAS OR COUNTY OF GARLAND, or any other PERSON, against I, Sherrel Jean Courville©, or any other of my copywrite names, it MUST be filed in the Arkansas State, American Common Law Court.

The Federal United States and any other foreign interests which have infringed upon our natural copyrights and abused our given names in commerce are 100% and uniquely responsible for all debts and administration of these legal fiction personas by Maxim of Law and may not be allowed to continue making and enforcing any false presumptions of obligation, duty, or responsibility with regard to these entities which have been created without the knowing consent of and full disclosure to the free sovereign and independent people of the United States.

We are owed the National Debt of the Federal United States as the Priority Creditors thereof and may not be mischaracterized as Debtors of any kind. We have the only lawful standing with regard to the Continental United States on the land and are not being "represented" by any incorporated entity with regard to our land assets—and that includes any presumptions by the Federal United States and the District of Columbia Municipal Corporation, the American Bar Association or any other foreign corporation.

Our states are geographically defined, and our States of America are unincorporated public Body Politics competent to convene a Continental Congress and to direct all affairs of State related to us and our holdings. The fact that we have not taken action in recent memory in no way forestalls or precludes our right and ability to do so. We are not subject to any presumption of political extinguishment nor incompetence to trade nor any enmity toward any nation or people; we have maintained the peace for 150 years. Our silver dollar and other forms of our lawful national currency are still in service and widely used in trade throughout the world, serving as one of the few rational standards of value in existence. We have never authorized the Federal United States nor the District of Columbia Municipal Corporation

to misrepresent us, change our political status, copyright our names and abuse them, indebted us for their own debts as "presumed" sureties, or take other actions not specifically stipulated in the original Equity Contract known as The Constitution for the United States of America, and in fact we have remained unaware of all these nefarious activities being carried out in our names until the present time, when we have given full Notice of our claims and intent.

Any "New Deal" proposed by Franklin Delano Roosevelt was not properly nor fully disclosed, not lawfully implemented, and not accepted by the free sovereign and independent people of the United States; no valid signature can be presumed to exist under duress and semantic deceit and no acceptance of a fiat monetary system imposed for the convenience or needs of a foreign government may be deemed to affect us, our political standing, our jurisdiction, or our material assets.

Those corporations responsible for the deplorable criminality exposed by the public records and detailed by the claims and testimony of living witnesses to their crimes must be liquidated and their assets delivered to their actual creditors.

The recent misappropriation of our assets (again) by the so-called "County Executives" who are now in receipt of our gold originally purloined by the World Bank and IBRD acting as secondary creditors in the 1933-34 bankruptcy of "The United States of America, Inc." is a case in point. These "Counties" are franchises of foreign corporations that have no lawful relationship or public office related to us, so that the World Bank and IBRD have merely succeeded in handing off gold they have stolen from us under false pretenses to more collaborating international criminals who are also — at best — secondary and merely presumed beneficiaries pretending an interest in our estates.

This and other forms of international crime and collusion must be brought to a halt immediately.

The World Bank and IBRD must be sued in behalf of the actual Priority Creditors, heirs, and entitlement holders — a duty that falls upon Mr. Blinken, and President Biden — all of whom have occupied vacated public offices as employees of private corporate enterprises and must either perform the duties of the public office and protect the interests of the free sovereign and independent people of the United States or admit that they have been imposters and criminals bent upon abuse of the public trusts for private gain.

These are all matters of criminal and international law which have been grossly mis-administered by private corporate officers pretending to hold elected public offices and by international banks operating governmental services corporations pretending to be actual governments — and all of which MUST be promptly and unequivocally corrected in favor of the actual Priority Creditors of those same banks — the living free sovereign and independent people of the United States.

Now that you are educated and informed, I, Sherrel Jean Courville©, challenge jurisdiction to all case numbers and citations listed above. I: Sherrel Jean Courville©; a woman, standing on the land and soil jurisdiction, require THE AGENT(S) AND PRINCIPAL(S) OF GARLAND COUNTY DISTRICT COURT and GARLAND COUNTY CIRCUIT COURT to CEASE AND DESIST and DISMISS any previous and any further actions and crimes and Fines against I: Sherrel Jean Courville©, a woman including but not limited to kidnapping, defrauding, trespassing, mis-administering my estate, or mischaracterizing me as a British Territorial Citizen or a Municipal CITIZEN of the UNITED STATES and an inhabitant of the District of Columbia or any "federal Territory";

CONSTITUTIONAL CASE LAW

Baldw 60, "Statutes that violate the plain and obvious principles of common reason are null and void". Would we not say that these judicial restrictions or limitations on rights belonging to the people? Other cases are even more straight forward: "The assertion of federal rights, when plainly and reasonably made, is not to be defeated under the name of practice."

Davis v. Wechsler , 263 US 22, 24. "Where rights secured by the Constitution are involved, there can be no rule making or legislation which would abrogate them."

Miranda v. Arizona, 384 US 436, 491. "The claim and exercise of a constitutional right cannot be converted into a crime."

Miller v. US, 230 F 486, 489. "There can be no sanction or penalty imposed upon one because of this exercise of constitutional rights."

Sherer v. Cullen , 481 F 946. We could go on, quoting court decision after court decision, however, the Constitution itself answers our question ♦ Can a government legally put restrictions on the rights of the American people at anytime, for any reason? The answer is found in Article Six of the U.S. Constitution: **Miranda v. Arizona, 384 U.S. 426, 491; 86 S. Ct. 1603** "Where rights secured by the Constitution are involved, there can be no 'rule making' or legislation which would abrogate them."

Norton v. Shelby County , 118 U.S. 425 p. 442

"An unconstitutional act is not law; it confers no rights; it imposes no duties; affords no protection; it creates no office; it is in legal contemplation, as inoperative as though it had never been passed."

Sherar v. Cullen , 481 F. 2d 946 (1973)

"There can be no sanction or penalty imposed upon one because of his exercise of constitutional rights."

Simmons v. United States , 390 U.S. 377 (1968)

"The claim and exercise of a Constitution right cannot be converted into a crime"... "a denial of them would be a denial of due process of law".

Cooper v. Aaron, 358 U.S. 1, 78 S. Ct. 1401 (1958)

Note: Any judge who does not comply with his oath to the Constitution of the United States wars against that Constitution and engages in acts in violation of the supreme law of the land. The judge is engaged in acts of treason.

The U.S. Supreme Court has stated that "no state legislator or executive or judicial officer can war against the Constitution without violating his undertaking to support it". See also *In Re Sawyer, 124 U.S. 200 (188); U.S. v. Will, 449 U.S. 200, 216, 101 S. Ct. 471, 66 L. Ed. 2d 392, 406 (1980); Cohens v. Virginia,*

19 U.S. (6 Wheat) 264, 404, 5 L. Ed 257 (1821).

Hoffsomer v. Hayes, 92 Okla 32, 227 F. 417 "The courts are not bound by an officer's interpretation of the law under which he presumes to act."

Marbury v. Madison, 5 U.S. (2 Cranch) 137, 180 (1803)

"... the particular phraseology of the constitution of the United States confirms and strengthens the principle, supposed to be essential to all written constitutions, that a law repugnant to the constitution is void, and that courts, as well as other departments, are bound by that instrument." "In declaring what shall be the supreme law of the land, the Constitution itself is first mentioned; and not the laws of the United States generally, but those only which shall be made in pursuance of the Constitution, have that rank". "All law (rules and practices) which are repugnant to the Constitution are VOID". Since the 14th Amendment to the Constitution states "NO State (Jurisdiction) shall make or enforce any law which shall abridge the rights, privileges, or immunities of citizens of the United States nor deprive any citizens of life, liberty, or property, without due process of law, ... or equal protection under the law", this renders judicial immunity unconstitutional.

Scheuer v. Rhodes, 416 U.S. 232, 94 S. Ct. 1683, 1687 (1974)

Note: By law, a judge is a state officer. The judge then acts not as a judge, but as a private individual (in his person). **When a judge acts as a trespasser of the law**, when a judge does not follow the law, the Judge loses subject-matter jurisdiction and the judges' orders are not voidable, but VOID, and of no legal force or effect. The U.S. Supreme Court stated that "when a state officer acts under a state law in a manner violative of the Federal Constitution, he comes into conflict with the superior authority of that Constitution, and he is in that case stripped of his official or representative character and is subjected in his person to the consequences of his individual conduct. The State has no power to impart to him any immunity from responsibility to the supreme authority of the United States."

Miller v. U.S., 230 F. 2d. 486, 490; 42

"There can be no sanction or penalty imposed upon one, because of his exercise of constitutional rights."

Murdock v. Pennsylvania, 319 U.S. 105

"No state shall convert a liberty into a license, and charge a fee therefore."

Shuttlesworth v. City of Birmingham, Alabama, 373 U.S. 262

"If the State converts a right (liberty) into a privilege, the citizen can ignore the license and fee and engage in the right (liberty) with impunity."

Brinegar v. U.S., 338 US 160 (1949)

Probable Cause to Arrest - Provides details on how to determine if a crime has been or is being committed.

Carroll v. U.S., 267 US 132 (1925)

Probable Cause to Search - Provides details on the belief that seizable property exists in a particular place or on a particular person.

Draper v. U.S. (1959)

Probable cause is where known facts and circumstances, of a reasonably trustworthy nature, are sufficient to justify a man of reasonable caution in the belief that a crime has been or is being committed. *Reasonable man definition*; common textbook definition; comes from this case.

Davis v. Wechler, 263 U.S. 22, 24; Stromberb v. California, 283 U.S. 359; NAACP v. Alabama, 375 U.S. 449 "The assertion of federal rights, when plainly and reasonably made, are not to be defeated under the name of local practice."

Elmore v. McCammon (1986) 640 F. Supp. 905

"... the right to file a lawsuit pro se is one of the most important rights under the constitution and laws."

Haines v. Kerner, 404 U.S. 519 (1972)

"Allegations such as those asserted by petitioner, however in artfully pleaded, are sufficient"... "which we hold to less stringent standards than formal pleadings drafted by lawyers."

Jenkins v. McKeithen, 395 U.S. 411, 421 (1959); Picking v. Pennsylvania R. Co., 151 Fed 2nd 240 ; Pucket v. Cox, 456 2nd 233 Pro se pleadings are to be considered without regard to technicality; pro se litigants' pleadings are not to be held to the same high standards of perfection as lawyers.

Picking v. Pennsylvania Railway, 151 F.2d. 240, Third Circuit Court of Appeals

The plaintiff's civil rights pleading was 150 pages and described by a federal judge as "inept". Nevertheless, it was held "Where a plaintiff pleads pro se in a suit for protection of civil rights, the Court should endeavor to construe Plaintiff's Pleadings without regard to technicalities."

Puckett v. Cox, 456 F. 2d 233 (1972) (6th Cir. USCA)

It was held that a pro se complaint requires a less stringent reading than one drafted by a lawyer per Justice Black in Conley v. Gibson (see case listed above, Pro Se Rights Section).

Sims v. Aherns, 271 SW 720 (1925) "The practice of law is an occupation of common right." "Because of what appears to be a lawful command on the surface, many Citizens, because of their respect for what appears to be law, are cunningly coerced into waiving their rights due to ignorance."

"The individual, unlike the corporation, cannot be taxed for the mere privilege of existing. The corporation is an artificial entity which owes its existence and charter powers to the state; but, the individual's rights to live and own property are natural rights for the enjoyment of which an excise cannot be imposed."

Redfield v Fisher, 292 P 813, at 819 [1930] "...an officer may be held liable in damages to any person injured in consequence of a breach of any of the duties connected with his office...The liability for nonfeasance, misfeasance, and for malfeasance in office is in his 'individual' , not his official capacity..."

70 Am. Jur. 2nd Sec. 50, VII Civil Liability

"Fraud destroys the validity of everything into which it enters,"

Nudd v. Burrows, 91 U.S 426. "Fraud vitiates everything"

Boyce v. Grundy, 3 Pet. 210 "Fraud vitiates the most solemn contracts, documents and even judgments."

U.S. v. Throckmorton, 98 US 61 WHEREAS, officials and even judges have no immunity (See, **Owen vs. City of Independence, 100 S Ct. 1398; Maine vs. Thiboutot, 100 S. Ct. 2502; and Hafer vs. Melo, 502 U.S. 21;** officials and judges are deemed to know the law and sworn to uphold the law; officials and judges cannot claim to act in good faith in willful deprivation of law, they certainly cannot plead ignorance of the law, even the Citizen cannot plead ignorance of the law, the courts have ruled there is no such thing as ignorance of the law, it is ludicrous for learned officials and judges to plead ignorance of the law therefore there is no immunity, judicial or otherwise, in matters of rights secured by the Constitution for the United States of America. See: **Title 42 U.S.C. Sec. 1983.** "When lawsuits are brought against federal officials, they must be brought against them in their "individual" capacity not their official capacity. When federal officials perpetrate constitutional torts, they do so *ultra vires* (beyond the powers) and lose the shield of immunity."

Williamson v. U.S. Department of Agriculture, 815 F.2d. 369, ACLU Foundation v. Barr, 952 F.2d. 457, 293 U.S. App. DC 101, (CA DC 1991).

"It is the duty of all officials whether legislative, judicial, executive, administrative, or ministerial to so perform every official act as not to violate constitutional provisions."

Montgomery v state 55 Fla. 97-45S0.879

a. "Inasmuch as every government is an artificial person, an abstraction, and a creature of the mind only, a government can interface only with other artificial persons. The imaginary, having neither actuality nor substance, is foreclosed from creating and attaining parity with the tangible.

The legal manifestation of this is that no government, as well as any law, agency, aspect, court, etc. can concern itself with anything other than corporate, artificial persons and the contracts between them."

S.C.R. 1795, *Penhallow v. Doane's Administrators* 3 U.S. 54; 1 L.Ed. 57; 3

Dall. 54; and,

b. "the contracts between them" involve U.S. citizens, which are deemed as Corporate Entities:

c. "Therefore, the U.S. citizens residing in one of the states of the union, are classified as property and franchises of the federal government as an "individual entity"', *Wheeling Steel Corp. v. Fox*, 298 U.S. 193, 80 L.Ed. 1143, 56 S.Ct. 773

Alexander v. Bothsworth, 1915. "Party cannot be bound by contract that he has not made or authorized. Free consent is an indispensable element in making valid contracts."

HALE v. HENKEL 201 U.S. 43 at 89 (1906) Hale v. Henkel was decided by the united States Supreme Court in 1906. The opinion of the court states: "The "individual" may stand upon "his Constitutional Rights" as a CITIZEN. He is entitled to carry on his "private" business in his own way. "His power to contract is unlimited." He owes no duty to the State or to his neighbors to divulge his business, or to open his doors to an investigation, so far as it may tend to incriminate him. He owes no duty to the State, since he receives nothing there from, beyond the protection of his life and property. "His rights" are such as "existed" by the Law of the Land (Common Law) "long antecedent" to the organization of the State", and can only be taken from him by "due process of law", and "in accordance with the Constitution." "He owes nothing" to the public so long as he does not trespass upon their rights."

HALE V. HENKEL 201 U.S. 43 at 89 (1906) Hale v. Henkel is binding on all the courts of the United States of America until another Supreme Court case says it isn't. No other Supreme Court case has ever overturned Hale v. Henkel None of the various issues of Hale v. Henkel has ever been overruled since 1906, Hale v. Henkel has been cited by the Federal and State Appellate Court systems over 1,600 times! In nearly every instance when a case is cited, it has an impact on precedent authority of the cited case. Compared with other previously decided Supreme Court cases, no other case has surpassed Hale v. Henkel in the number of times it has been cited by the courts. "The rights of the individuals are restricted only to the extent that they have been voluntarily surrendered by the citizenship to the agencies of government."

City of Dallas v Mitchell, 245 S.W. 944

"An illegal arrest is an assault and battery. The person so attempted to be restrained of his liberty has the same right to use force in defending himself as he would in repelling any other assault and battery." (*State v. Robinson, 145 ME. 77, 72 ATL. 260*).

Born June 22, 1968 in Texarkana, Texas
Warren J Stine X Shelby Jean Stine
The United States of America

Whereas I, the living woman known as Sherrel Jean Courville (nee Stine), am the result of the life and love and physical embodiment of my parents, the living man known as Warren J Stine and the living woman known as Shelby Jean Stine (née Fricks), now therefore I am their living daughter from the moment of conception and from the first combining of their unique genetic code to create my unique genetic code and my zygote in support of my physical embodiment then and now, and as I am the only true and surviving inheritor, I hereby publish my claim and recording of the facts:

The Afterbirth composed of a placenta, umbilical cord, and fetal tissues which accompanied me into this world and which was in possession of my DNA was never a viable separate living organism and was instead a portion of my flesh akin to any hair, skin, or other representation of my genetic content, that was not abandoned, not donated, and not returned to me or my parents for burial. No separate estate, living status, ownership interest or death apart from my own life may be claimed in behalf of the Afterbirth or other waste resulting from my birth, from my shedding of hair, my shedding of skin, the deposit of my fingerprints or any other DNA-containing substance whatsoever.

I hereby establish my Paramount Claim upon my unique DNA as the only lawful and living inheritor thereof from the moment of my conception forward and I also publish my nullification of any claim of ownership or material interest in my DNA based upon samples procured from any bodily waste or substance for any purpose.

As witness to my claims, I here affix the Signature and Seal of my Lawful Person, retaining all rights and prerogatives thereof:

US v. Minker, 350 US 179 at 187(1956) Supreme Court of the United States 1795

"Inasmuch as every government is an artificial person, an abstraction, and a creature of the mind only, a government can interface only with other artificial persons. The imaginary, having neither actuality nor substance, is foreclosed from creating and attaining parity with the tangible. The legal manifestation of this is that no government, as well as any law, agency, aspect, court, etc. can concern itself with anything other than corporate, artificial persons and the contracts between them."

Hagans v Lavine 415 U.S 533 "The law requires proof of jurisdiction to appear on the record of the administrative agency and all administrative proceedings."

Sramek v. Sramek, 17 Kan. App 2d 573, 576-7, 840 P. 2d 553 (1992) "A judgment rendered by a court without personal jurisdiction over the defendant is void. It is a nullity."

Main v. Thiboutot, 100 S Ct. 2502 (1980) – The law provides that once State and Federal jurisdiction has been challenged, it must be proven.

Basso v. Utah Power & Light Co. 395 F 2d 906, 910 “Jurisdiction can be challenged at any time,” and “Jurisdiction once challenged, cannot be assumed and must be decided. “Once challenged, jurisdiction cannot be assumed, it must be proved to exist.

“There is no question of the general doctrine that fraud vitiates the most solemn contracts, documents, and even judgments.” United States v. Throckmorton, 98 U.S. 61, 64;

“The burden of proving jurisdiction rests upon the party asserting it.” Bindell v. City of Harvey, 212 Ill.App.3d 1042, 571 N.E.2d 1017 (1st Dist. 1991);

“A court cannot confer jurisdiction where none existed and cannot make a void proceeding valid. It is clear and well established law that a void order can be challenged in any court”, OLD WAYNE MUT. L. ASSOC. v. McDONOUGH, 204 U. S. 8,27 S. Ct. 236 (1907);

“When it clearly appears that the court lacks jurisdiction, the court has no authority to reach the merits. In such a situation the action should be dismissed for want of jurisdiction.” [Melo v. US, 505 F2d 1026, 1030];

Extra territorium jus dicenti non paretur impune; One who gives a judgment outside his jurisdiction is not obeyed with impunity; Anyone who executes such a judgment may be punished;

“Whenever a judge acts where he/she does not have jurisdiction to act, the judge is engaged in an act or acts of treason.” United States v Will, 449 US 200, 216, 101 S Ct 471, 66 L Ed 2d 392, 406 (198

I, the living Woman, Sherrel Jean Courvelle© affirmed and declared I returned to my lawful birthright political status as an Texan and claimed my exemptions in Federal Code 8 USC 1101 (a) 21, that states the term "national" means a person owing permanent allegiance to a state; In doing so, I: Sherrel Jean Courvelle©; woman repudiated any foreign British Territorial or Federal Municipal Citizenship being 'presumed' and 'conferred' upon me without my knowledge or consent; I, Sherrel Jean Courvelle©; a woman am now one of the free sovereign and independent people of the United States standing on the land and soil jurisdiction and a peaceable American; I: Sherrel Jean Courvelle©; a woman have affirmed and declared I returned to my lawful birthright political status as an Texan as evidenced by the Previously enclosed documents which are also publicly recorded on the Garland County Land Recording office Book 255 Pages 251-275;

As of October 1, 2020, the 50 States of the Union and the lawful State Assemblies are now in Session and the International and Global Government that is presenting the mutually shared powers is present; All former “Territorial States” have been enrolled as States of the Union as provided for under The Northwest Ordinance; This established the American Public Law in all 50 States of the Union, retroactive to the date of their acceptance as Territorial States. It also removes presumption of Territorial Custodianship; The federation of States and the 50 State Assemblies are the only entities with the standing to operate as the lawful American Government; The Arkansas Assembly is in Session and the Arkansas Common Law courts are NOW in session. These are the Land and soil jurisdiction courts owed to the American people in Arkansas. I, Sherrel Jean Courvelle ©, the Living woman, standing on the Land

We have installed strongly-worded **NO TRESPASSING** sign on our property located at:

249 Nathan Terrace, Jessieville, Arkansas 71949

This letter will serve as constructive notice to the county sheriff, county prosecuting attorney, county commissioners (or council) and the director of the county planning staff, if any, or other government agencies. Be advised that I/we will consider any trespassing by any government agent for any reason, other than a fire or medical emergency, without my/our express written permission, as a violation of USC Title 18, Sections 241 and 242 and any other applicable federal or state civil or criminal trespass statutes. If such trespass occurs, I/we will consider the government agent/trespasser as an intruder and will take all lawful means to expel the intruder. Any evidence gathered by said government agent used against us for any reason, will be challenged in court as having been gathered in violation of law.

there is no CAD report either. I will attach the call which was sent to the officer regarding the complaint. The call was made by the Garland County Prosecutors office regarding a Ms. Levin who was in court pending a case with Ms. Courvelle, who failed to appear on the court date. She was concerned about the welfare of animals possibly left on site. The officer who responded was ACO Joshua Crom.

I am attaching the only information I have regarding the incident. No report was completed by the officer. He reported back to the front he only located fowl (chickens and geese) which didn't appear to be in distress.

Thank you,

Lt. LeeAnn Zaner

GARLAND COUNTY DISTRICT COURT
 607 Ouachita Avenue Suite 150
 Hot Springs, AR 71901
 Cert# 9589 0710 5270 1246 2977 70

Judge Joe Graham, it is your duty and your obligation at any time to determine jurisdiction in a case where jurisdiction is challenged. You have previously been noticed that jurisdiction has been challenged by Sherrel Courvelle©, a living woman. Those Supreme Court rulings have been provided to you previously by The Sherrel Courvelle©, but we will supply them and others here for you again.

Hagans v Lavine 415 U. S. 533. "A judgment rendered by a court without personal jurisdiction over the defendant is void. It is a nullity."

Sramek v. Sramek, 17 Kan. App 2d 573, 576-7, 840 P. 2d 553 (1992) rev. denied 252 Kan. 1093(1993) "The law provides that once State and Federal jurisdiction has been challenged, this must be disproven." Otherwise by default all of you are confessing it is bona fide.

Main v. Thiboutot, 100 S Ct. 2502 (1980) – The law provides that once State and Federal jurisdiction has been challenged, it must be proven.

Basso v. Utah Power & Light Co. 395 F 2d 906, 910

"Once challenged, jurisdiction cannot be assumed, It must be proved to exist."

HALE v. HENKEL 201 U.S. 43 at 89 (1906) Hale v. Henkel was decided by the united States Supreme Court in 1906. The opinion of the court states: "The "individual" may stand upon "his Constitutional rights" as a CITIZEN. He is entitled to carry on his "private" business in his own way. "His power to contract is unlimited." He owes no duty to the State or to his neighbors to divulge his business, or to open his doors to an investigation, so far as it may tend to incriminate him. He owes no duty to the State, since he receives nothing there from, beyond the protection of his life and property. "His rights" are such as "existed" by the Law of the Land (Common Law) "long antecedent" to the organization of the State", and can only be taken from him by "due process of law", and "in accordance with the Constitution." "He owes nothing" to the public so long as he does not trespass upon their rights."

Hale v. Henkel is binding on all the courts of the United States of America until another Supreme Court case says it isn't. No other Supreme Court case has ever overturned Hale v. Henkel. None of the various issues of Hale v. Henkel has ever been overruled since 1906. Hale v. Henkel has been cited by

the Federal and State Appellate Court systems over 1,600 times! In nearly every instance when a case is cited, it has an impact on precedent authority of the cited case. Compared with other previously decided Supreme Court cases, no other case has surpassed *Hale v. Henkel* in the number of times it has been cited by the courts. "The rights of the individuals are restricted only to the extent that they have been voluntarily surrendered by the citizenship to the agencies of government.

As American State Nationals, however, we are not U.S. Citizens, i.e. DEAD Residents nor Persons. We are the Living People, the living souls STANDING on the land and soil Jurisdiction; not dead lost out at sea. We, Arkansans, have expatriated our U.S. Citizenship. This case, **Beys AFROYIM vs. Deann Rusk and United States vs. Wong Kim Ark** enforces our rights as individuals to Expatriate our US citizenship at anytime voluntarily.

Judge Joe Graham, you have been noticed and given proper documented proof that Sherrel Courville©, the American Living woman is NOT a U.S. Citizen, nor a "civil" "at law" Person, nor a Resident. You have been given proper documentation that shows that this American living woman is domiciled on the land and soil jurisdiction and is NOT under the jurisdiction of the sea (maritime, admiralty or military jurisdiction). As an American living woman, we are owed the constitutional guarantees of all three (3) Constitutions. The Law of the Land ensures a trial by a jury of our peers and specific "due process" under the American Common Law Court operating in General Jurisdiction and not limited jurisdiction.

The courts have been under Military Occupation since 1865. After the Civil War, Military Tribunal courts were set up temporarily in order to reconstruct the lawful Republic government and the Common Law Courts to be built back. That reconstruction never took place. In 1866, A Supreme Court ruling called *Ex Parte Milligan* was made to ensure that the (Maritime, Admiralty, and Military courts) would stand down as soon as the American Common Law courts were reconstructed and in session in each state of the union. Although it has been more than 150 years since that ruling, it has never been overturned.

Now we know, that because of "Ex-Parte Milligan" Your foreign civil "at Law" courts are unlawful! Because, fundamentally they are only of and for the "DEAD", i.e Not One Living Man or Woman can be protected by the Civil Law, for Corporations, instead they have by slight of hand been lawlessly in outlawry controlling each of our heads ever since A.D. 1865. Yes, You have held us under Military Occupation ever since. After the Civil War, Military Tribunal courts were sadistically set up temporarily, supposedly, in order to reconstruct the lawful Republic Government and rebuilding the American Common Law Courts, not for fictional corporations, but for the Living. That reconstruction for nearly two centuries has never taken place. Nevertheless, In 1866, A Supreme Court ruling called **Ex Parte Milligan** was made to ensure that the (Maritime, Admiralty, and Military Courts) would be mandated to stand down as soon as the American Common Law Courts were reconstructed and in session, for each state of the union. Although it has been more than 150 years since that ruling, it has never been overturned. Could it be there are Predator's in the hen house?

Our Common Law Courts went dormant from 1863 to 1963, a long time. The Military Courts took over in May of 1865. We first had the Martial Courts set up in the Southern Territory after the Civil War. It was 10 Military districts in 11 Southern states. Over time it grew and eventually the Military, Maritime, Admiralty Courts took over all 50 states. The District, Military Courts became an overlay.

We are owed the guarantee provided to us By, The 1866 Supreme Court ruling "**Ex-Parte Milligan**". We were guaranteed that as soon as we set up our civilian American Common Law Courts, the Military Courts would step aside and we would re-establish our General Jurisdiction courts. The International Law has already established that the Military, Admiralty, and Maritime courts had to step aside when the Civil Court comes into session.

The American people were long ago left uninformed that the Military Courts had taken by force and fraud over our Common Law courts in 1865 after the Civil War, and that We The People needed to reconstruct them as well as our Republican Civil Government. There have been six (6) Generations of people who have grown up not knowing that they were owed the Common Law Courts and that we had a Civil Government that has been dormant for 160 years.

- We have the right to come into session as the Common Law Government and reconstruct The Arkansas Assembly. We came into session and declared peace on May 29, 2021.
- We have the guaranteed right to our Republican form of Government.
- We have the guaranteed right to set up our American Common Law Courts and invoke Ex-Parte Milligan.

We are the lawful American Republican form of government and are back in session. We are the Arkansas State American Common Law Courts reconstructed and back in session. We have been out of session for a long time, But...Here we are! We do know what we are doing. We are acting within the law. We are acting according to our rights, guarantees, and Treaties. Thank you so much for your service in our absence. Our elected court officials have been elected, our Jury Pool has been instituted and we have a Grand Jury, for the people, by the people, and of the people.

"If we have not courts that are established and maintained by the people, rather than by corruptible judges then we will have no Republic. Our Constitution and our nation will rise or fall according to the independence of our courts." John Hancock 1877

Judge Joe Graham, you now have been given the proper documentation proving that the Arkansas General Assembly, the Republican form of Government, has been reconstructed and in operation in Arkansas since 2021. In your possession, is the proper documentation showing that on August 27, 2023, the Arkansas American Common Law Court became open and is now in session. **Ex Parte Milligan** was invoked for Arkansas State and from now on all cases concerning documented American State Nationals MUST come through our Court. It is the Lawful court of the Land. The American

people are owed this court restored based on the 1866 ruling of the Supreme Court, and since the Republican government and its courts are now reconstructed in Arkansas State, therefore the (Maritime, Admiralty, and Military) Courts MUST STAND DOWN and transfer all cases that deal with the documented American State National to the Arkansas State American Common Law Court.

The 1866 – Supreme Court case called **Ex-Parte Milligan** agrees that once our civilian court comes into session then the Maritime, Martial, and District Courts MUST STAND DOWN and allow the American Common Law Court to take control of our own people and our own property again. This was decided in 1866.

The Arkansas State American Common Law Court requires from You;

- that all warrants, cases, fines, fees, bonds, suspended licenses and judgments be dismissed in the cases concerning Sherrel Courvelle©, the living woman.
- that all monies that have been paid by the American State National, Sherrel Courvelle©, for bonds, fees, fines, citations, re-instatements, recoupments, etc. be refunded in their entirety to the American State National, Sherrel Courvelle© the living woman.
- that all property that has been unlawfully seized be returned immediately to the American State National, Sherrel Courvelle© the living woman. If that property has been sold or lost, then the equivalent value of that property must be given back to the American State National, Sherrel Courvelle©, the living woman and must be paid in lawful money.
- all cases, evidence, discovery, documents, memos, letters, and all paperwork be transferred to the Arkansas State American Common Law Court for review.

Judge Joe Graham, You are directed to move all controversial cases within (10) ten days pertaining to any documented American State National, American living man or living woman on the land and soil, who are under the Public Law to the Arkansas State American Common Law Court of General Jurisdiction as set forth in the long-standing Supreme Court Case of 1866; Ex-Parte Milligan.

Cooper v. Aaron, 358 U.S. 1, 78 S. Ct. 1401 (1958) The U.S. Supreme Court has stated that "no state legislator or executive or judicial officer can war against the Constitution without violating his undertaking to support it". The constitutional theory is that we the people are the sovereigns, the state and federal officials only our agents." "The individual, unlike the corporation, cannot be taxed for the mere privilege of existing. The corporation is an artificial entity which owes its existence and charter powers to the state; but, the individual's rights to live and own property are natural rights for the enjoyment of which an excise cannot be imposed."

Redfield v Fisher 292 P 813, at 819 [19301 "...an officer may be held liable in damages to any person injured in consequence of a breach of any of the duties connected with his office...The liability for nonfeasance, misfeasance, and for malfeasance in office is in his 'individual', not his official capacity..."

U.S. v. Throckmorton, 98 US 61 WHEREAS, officials and even judges have no immunity. (See, **Owen vs. City of Independence, 100 S Ct. 1398; Maine vs. Thiboutot, 100 S. Ct. 2502; and Hafer vs. Melo, 502 U.S. 21;** officials and judges are deemed to know the law and

sworn to uphold the law; officials and judges cannot claim to act in good faith in willful deprivation of law, they certainly cannot plead ignorance of the law, even the Citizen cannot plead ignorance of the law, the courts have ruled there is no such thing as ignorance of the law, it is ludicrous for learned officials and judges to plead ignorance of the law therefore there is no immunity, judicial or otherwise, in matters of rights secured by the Constitution for the United States of America. See: Title 42 U.S.C. Sec. 1983. "When lawsuits are brought against federal officials, they must be brought against them in their "individual" capacity not their official capacity. When federal officials perpetrate constitutional torts, they do so ultra vires (beyond the powers) and lose the shield of immunity.

Cooper v. Aaron, 358 U.S. 1, 78 S. Ct. 1401 (1958)

Note: Any judge who does not comply with his oath to the Constitution of the United States wars against that Constitution and engages in acts in violation of the supreme law of the land. The judge is engaged in acts of treason. See also **In Re Sawyer, 124 U.S. 200 (188)**; **U.S. v. Will, 449 U.S.**

200,216,101 S. Ct. 471, 66 L. Ed. 2d 392, 406 (1980); **Cohens v. Virginia, -19 U.S. (6 Wheat) 264, 404, 5 L. Ed 257 (1821)**

Judge Joe Graham, if you choose not to transfer all files and/or records concerning these cases out of your court and into ours for review, and dismiss all charges and fines, and refund all monies and reinstate all licenses to the American State National, Sherrel Courville©, wrongfully brought before your court, then The Arkansas State American Common Law Court will have no choice but to present an indictment to the U.S. District Attorney for your appearance in our court.

You have 10 days from the date of this letter to meet all of the requirements. All of this must be mailed to The Arkansas State Common Law Court by this date, October 27, 2023. That date will not be extended without prior approval. If you have any comments or questions, please send them in writing to the above address.
