I have been trying to take care of a very malnourished, what appears to be a full blooded Australian shepherd. we have been calling him Red. He's super sweet, but wasn't taken care of at all. He had his first car ride yesterday, but warmed up to me and my husband inside of our home, very quickly. Poor fellow needs a safe place to stay with a big yard to run in, and patient, kind humans. Used to being around big dogs and geese, ducks, donkeys and horses. He loves my big dog, but is weary and growls at my smaller dogs. Good around children. I will be picky about where he goes due to where he's come from. Please share! Needs a furever home.

Re: Notice of and request to cease and desist certain behavior

Dear Mr. Lovan:

My name is Blake Crawford, and my team has been retained by Sherrel Courvelle who resides at 249 Nathan Terrace, Jessieville, Arkansas 71949, which is next door to your facility.

Ms. Courvelle has made me aware of a variety of occurrences involving patients or agents of Sozo Addiction Recovery Center, hereinafter "Sozo", and her home and its occupants. Of note, I would like to bring your attention to the following:

1. Patients and/or agents of Sozo have trespassed upon my client's real property, including driving vehicles into her yard. During one past incident my client's canine was hit and killed;
2. Patients and/or agents of Sozo are wrongfully disposing of urine drug screening cups in my client's trash receptacle;
3. Patients and/or agents of Sozo have prevented mail delivery to my client's address by blocking the mailbox with trash and trash receptacles;
4. Patients and/or agents of Sozo are placing large objects of trash at the curb that the sanitation department will not pick-up as these objects must be personally taken to the county dump;
5. Patients and/or agents of Sozo are enticing my client's domesticated animals and livestock off property to feed and/or poison said animals;
6. Patients and/or agents of Sozo are roaming the properties at all hours of the night in violation of peace and dignity of my client and presumably your own curfew;
7. Patients and/or agents of Sozo have further trespassed by flying drones over my client's property;

8. Patients and/or agents of Sozo have engaged in intercourse next to my client's horse paddock; and
9. Patients and/or agents of Sozo have engaged in harassing behavior towards my client and her family.

Please consider this a good faith request to address the concerns outlined herein. My client does not wish you ill will, nor does she desire to escalate this developing situation. However, the behaviors detailed herein must stop.

If you are unwilling or unable to correct the wrongful behavior detailed herein, my client is prepared to seek all available legal remedies, including but not limited to, seeking criminal citation with the Garland County Sheriff's Office, filing a complaint with the State licensing body providing you with license, and/or seeking relief in Circuit Court.

Thank you for your time and consideration. If you have questions, please feel free to contact me.

Sincerely,

Blake H. Crawford

Your rehabbers are up roaming around since 5 o'clock this morning. Garland County sheriffs department is on their way out here. 10/15/2023 Under the Freedom of Information Act I requested ALL BODY CAM FOOTAGE AND ALL DASH CAM FOOTAGE (Reedy, Morgan & Presley) from 10/15/2023. What I received was a partially blurred-out body cam off of Presley. Presley's partial dash cam which had music BLARING in the background. Whispering between her and the other two deputies!! Admitting to Morgan that if he got a complaint because she harrassed my 13-year-old daughter it's a lie.

Request

January 2023 I filed a report about Tiffany Terry Attaway Stealing my son's service dog, Aussie. She worked at SoZo Rehab center.

I have made several calls to Garland County Sheriff Department about my neighbors trespassing- the deputy assured me he was making notes.

March 1, 2023, 11:17A.M. White Van parked on my property. I called 911. I was my neighbors SoZo men's rehab having someone fix their fence. Parked on my property. They moved when I yelled I was calling the Sheriffs department and I let my dogs out to bark at them. I called back to the sheriffs department and told the dispatch that the Van had moved.

March 23, 2023 called garland county about a man from SoZo trespassing in our back pasture.

March 25, 2023 called the sheriff department about 2 of SoZo's clients out in the woods next to my horses and they were having Sexual Intercourse where we could hear them and we saw them putting their clothes back on coming out of the woods.

i have made calls to 911 and the non emergency number. I would like a record.

April 8, 2023 called garland county about 2 men from SoZo's Trespassing on my property starring at me and my daughter while we were swinging in the front yard.

April 14, 2023 called sheriffs department Kalya Lovan was threatening my 13 year old daughter yelling at my daughter to get her dog off of their property. the dog was not on their property but got between my daughter and the woman screaming at her. she grabbed her dog and came home.

May 1 2023 got home and noticed SoZo's back gate was wide open on my property. I called the sheriff department

May 4, 2023 SoZo's clients tied my mailbox shut. I called the sheriff department.

May 4, 2023 I called the sheriff department because Gary Bennett made me take my electric fence down that was on the property line. Their fence sits directly on the line and i do not want them on our property.
