It is such a shame that you can't come home because of all of your felony warrants...

It has taken us years to get rid of you and all of your animals!! You can bitch and raise hell all over social media about us!! The bottom line is you are nothing more than white trash with warrants!!!

My wife took care of something that we could not accomplish. She single handedly got rid of you and all of your nuisance animals!! I

I guess you fucked around and found out that you have absolutely zero pull with law enforcement here. Stop by and visit the next time you are out of hiding. You don't have to worry about penning your geese up anymore!! 😂

Did they say why they pulled you over

They said they pulled me over because they said we had similarities and they were making sure that I wasn't you

And then proceeded to tell me that you were a fugitive
