

# Reclaim Your Good Name & Credit! Reclaim Your American Government! Together with The Arkansas Assembly

Arkansas was admitted to the Union on June 15, 1836, as the 25th state

## THE ARKANSAS ASSEMBLY IS IN SESSION AND WORKING LAWFULLY AND PEACEFULLY TO:

-  Return Power to the people of Arkansas
-  Complete Reconstruction of the state government
-  Restore the Federal Republic in cooperation with Assemblies in the other 49 states
-  Form our Common Law Grand Jury & Militia

### OUR STORY

As American State Nationals, we stand on the land jurisdiction under our unalienable rights as outlined in the Declaration of Independence.

### OUR VISION

We, the living men and women of Arkansas, call all eligible Arkansas Nationals and Electors to assemble and serve as Jurors and Officers. We have established the process and procedure to qualify Jurors and others competent to hold State Citizenship and Public Office.

### OUR MISSION

We need to finish the "Reconstruction" of our American governmental branches and resume our duties to relieve these defacto government corporations of their "presumed" contractual responsibilities.

## CORRECT YOUR POLITICAL STATUS AND JOIN THIS HISTORIC PROCESS

The Arkansas Assembly not only provides the necessary education to understand the situation, but we also provide a simple paperwork process for you to correct your status to an American State National
